

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .329"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .329"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)

Safety Instruction Guide for SAC Neck Sizing Bushings

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of our product. Please read this document carefully before using the neck sizing bushings.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the neck sizing bushings for signs of wear or damage before use.
- If you experience any issues with the product, cease use immediately and consult a qualified professional.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling and using the neck sizing bushings.
- Ensure that the resizing die and bushings are properly secured before operation to prevent accidents.
- Do not use the neck sizing bushings with damaged or incompatible resizing dies.
- Avoid excessive force when resizing to prevent injury or damage to the equipment.
- Store the neck sizing bushings in a dry and safe location to prevent rust and deterioration.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and equipment, including the resizing die, neck sizing bushings, and safety gear.
- Ensure that your workspace is clean and free from hazards.

2. Installation

- Remove the resizing die from your reloading press.
- Select the appropriate SAC Neck Sizing Bushing based on your cartridge specifications.
- Insert the neck sizing bushing into the resizing die, ensuring it fits securely.
- Reattach the resizing die to the reloading press.

3. Usage

- Place the cartridge brass into the resizing die.
- Operate the reloading press according to the manufacturer's instructions, applying steady pressure.
- Inspect the resized brass for proper neck dimensions and concentricity.
- Clean the neck sizing bushings after use to maintain performance.

4. PostUse

- Store the neck sizing bushings in a designated container to prevent damage.

- Regularly check for wear and replace bushings as necessary.

Disposal Instructions

- Dispose of any damaged or worn neck sizing bushings in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local waste management services for proper disposal methods.

Contact Information for Further Support

For questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
