

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .336"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .336"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109950

Safety Instruction Guide for SAC Neck Sizing Bushings

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the neck sizing bushings.

General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the neck sizing bushings.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product.
- **Online Shopping:** If purchased online, ensure the seller meets all safety requirements.
- **Special Consumer Focus:** Be aware of additional safety measures for vulnerable groups, such as children.
- **EU Contact Point:** Keep this guide for future reference regarding safety inquiries.
- **Rapid Alerts:** Regularly check for updates on product safety.

Specific Safety Precautions for Use

- Always inspect the neck sizing bushings for any signs of damage before use.
- Use only with compatible neck sizing dies as specified by the manufacturer.
- Do not exceed the recommended specifications for the bushings.
- Ensure that all equipment used with the neck sizing bushings is in good working condition.
- Keep the bushings out of reach of children and pets to prevent accidental injury.
- If you experience any issues while using the bushings, stop using them immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and equipment required for neck sizing.
- Ensure your workspace is clean and free from clutter.

2. Installation:

- Select the appropriate SAC neck sizing bushing size (e.g., .336").
- Insert the bushing into the neck sizing die according to the manufacturer's instructions.
- Ensure the bushing fits securely and is properly aligned.

3. Usage:

- Place the cartridge brass into the resizing die with the installed bushing.
- Operate the resizing die according to the manufacturer's guidelines.
- Monitor the process to ensure consistent sizing and avoid excessive force.

4. PostUsage Care:

- After use, clean the neck sizing bushings to remove any debris or residue.
- Store the bushings in a safe, dry place to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn neck sizing bushings in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or additional support regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's contact information provided with your product purchase.

Thank you for prioritizing safety while using our products. Enjoy your reloading experience with the SAC Neck Sizing Bushings!
