

# **SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .337"**

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## **Attributes**

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .337"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109951
- Mfr. No.: SAC-337NB
- Diameter (in): .337
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC Neck Sizing Bushings

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety information and instructions for the safe use of this product. Please read and understand all instructions before use to ensure a safe and efficient experience.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Do not modify or alter the product in any way.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the neck sizing bushings.
- Use the bushings only with compatible resizing dies as indicated in the product specifications.
- Ensure that the resizing die is securely mounted before using the neck sizing bushings.
- Avoid excessive force during resizing to prevent damage to the bushing or the die.
- If the bushing becomes stuck in the die, do not force it out. Seek professional assistance if needed.
- Store the bushings in a dry and safe location to prevent corrosion and damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components, including the resizing die, cartridge brass, and the SAC Neck Sizing Bushing.
- Ensure your workspace is clean and welllit.

### 2. Installation:

- Remove the resizing die from your reloading press.
- Insert the SAC Neck Sizing Bushing into the die, ensuring it fits snugly.
- Reattach the resizing die to the reloading press securely.

### 3. Usage:

- Place the cartridge brass into the die.
- Operate the reloading press smoothly and steadily to resize the brass.
- Avoid using excessive force; let the die and bushing do the work.
- After resizing, remove the cartridge brass from the die.

### 4. PostUsage:

- Inspect the resized brass for any defects or issues.
- Clean the neck sizing bushing after use to maintain its performance.
- Store the bushing in a protective case to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn components according to local regulations.
- Do not dispose of the product in general waste. Check for recycling options or specialized disposal facilities for metal products.

## **Contact Information for Further Support**

For any inquiries regarding the product or safety information, please refer to the contact details provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to safety and for choosing SAC Neck Sizing Bushings. Enjoy your reloading experience!
