

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .358"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .358"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109953
- Mfr. No.: SAC-358NB
- Diameter (in): .358
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC Neck Sizing Bushings

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety information and instructions for the proper use of the neck sizing bushings. Please read this guide carefully to ensure safe and effective usage of the product.

## General Safety Guidelines

- **Product Safety:** Ensure that you use the SAC Neck Sizing Bushings in accordance with this guide to avoid any risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive recall notices, follow the instructions provided for returning or remedying the product.
- **Online Shopping Safety:** If you purchased this product online, ensure that the platform meets safety requirements similar to those of physical stores.
- **Consumer Focus:** Extra caution should be taken when using this product around vulnerable groups, including children. Keep the product out of reach of children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Monitor updates on unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper usage of the neck sizing bushings can lead to inaccurate cartridge sizing and potential firearm malfunctions.
  - Ensure that the bushings are compatible with your resizing die before use to avoid damage.
- **Avoiding Hazards:**
  - Always inspect the bushings for any damage before use.
  - Do not use the bushings if they show signs of wear or damage.
  - Follow the manufacturer's recommendations for the specific resizing die being used.
  - Wear appropriate safety gear, such as safety glasses, when handling and using the bushings.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that your workspace is clean and free from distractions.
  2. Select the appropriate SAC Neck Sizing Bushing for your resizing die.
  3. Carefully insert the bushing into the resizing die, ensuring it fits snugly.
  4. Tighten the die according to the manufacturer's specifications to secure the bushing in place.
- **Usage:**
  1. Prepare your cartridge brass by cleaning and inspecting it for defects.
  2. Insert the brass into the resizing die with the installed neck sizing bushing.
  3. Follow the resizing die's instructions for operating the press.
  4. After resizing, check the neck runout of the brass to ensure proper sizing.
  5. Store the bushings in a safe and dry location when not in use.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations for metal waste.
- Do not dispose of the bushings in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure the safe and effective use of your SAC Neck Sizing Bushings. Thank you for your attention to safety and for choosing Short Action Customs, LLC.
