

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .359"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

SAC NECK SIZING BUSHINGS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions, usage guidelines, and contact information to ensure the safe and effective use of your neck sizing bushings. Please read this guide thoroughly before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the neck sizing bushings by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations.
- **Special Consumer Focus:** Keep the product out of reach of children to prevent accidental injury.
- **EU Contact Point:** For safety inquiries, please refer to the contact point provided by your retailer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Inspection Before Use:** Check the bushings for any visible damage or defects before use. Do not use if damaged.
- **Proper Handling:** Handle the bushings with care to avoid injury. Ensure hands are dry and free from any contaminants.
- **Use Appropriate Equipment:** Ensure that the neck sizing bushings are compatible with your resizing die before use.
- **Avoid Excessive Force:** Do not apply excessive force when using the bushings to prevent damage to the product or injury.
- **Store Safely:** Keep the bushings in a secure location when not in use to prevent accidental injury or damage.

Instructions for Installation and Usage

1. **Compatibility Check:** Verify that the SAC Neck Sizing Bushing is compatible with your resizing die brands, including RCBS, Whidden, Harrells, Redding, Hornady, and LE Wilson.
2. **Installation:**
 - Remove the resizing die from the press.
 - Insert the SAC Neck Sizing Bushing into the die, ensuring it is seated properly.
 - Reattach the die to the press securely.
3. **Usage:**
 - Adjust the die according to the manufacturer's specifications for proper neck sizing.
 - Insert the cartridge brass into the die and operate the press smoothly.
 - Monitor the process for any unusual resistance or noise.
4. **PostUse Care:**
 - After use, clean the bushings to remove any residue.
 - Store the bushings in a protective case or designated area to avoid damage.

Disposal Instructions

- **Disposal of Product:** Dispose of the neck sizing bushings in accordance with local regulations. Do not dispose of in regular household waste if they are damaged or no longer usable.
- **Recycling:** If possible, recycle the bushings as they are made from stainless steel. Check local recycling

guidelines for proper procedures.

Contact Information for Further Support

For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the retailer where you purchased the product for assistance.

By following these instructions and safety precautions, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Thank you for your attention to safety and proper usage.
