

SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .360"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .360"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)

Safety Instruction Guide for SAC Neck Sizing Bushings

Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the entire guide before using the bushings.

General Safety Guidelines

- Ensure safe use of the SAC Neck Sizing Bushings by following these guidelines:
 - Always inspect the bushings for any signs of damage before use.
 - Use the bushings only with compatible neck sizing dies.
 - Keep the bushings out of reach of children and vulnerable individuals.
 - Store the bushings in a dry, secure location when not in use.
 - Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- To avoid potential hazards while using the SAC Neck Sizing Bushings:
 - Always wear appropriate safety gear, such as safety glasses and gloves.
 - Ensure that the resizing die is securely mounted in the reloading press before use.
 - Do not exceed the recommended specifications for neck sizing.
 - Avoid using excessive force when resizing to prevent damage to the bushings or the brass.
 - Follow all manufacturer instructions for the specific resizing die being used.

Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of the SAC Neck Sizing Bushings:

1. Installation:

- Remove the resizing die from the reloading press.
- Insert the SAC Neck Sizing Bushing into the die according to the manufacturer's instructions.
- Securely fasten the die back onto the reloading press.

2. Usage:

- Prepare the cartridge brass by cleaning and inspecting it.
- Set the resizing die to the appropriate depth for the neck sizing operation.
- Insert the brass into the die and operate the reloading press to resize the neck.
- Remove the resized brass and inspect it for proper sizing and any signs of damage.

Disposal Instructions

- Dispose of the SAC Neck Sizing Bushings responsibly:
 - If the bushings are damaged or no longer usable, follow local regulations for the disposal of metal products.
 - Do not dispose of bushings in regular household waste.
 - Consider recycling the bushings if possible.

Contact Information for Further Support

- For any questions or concerns regarding the SAC Neck Sizing Bushings, please refer to the manufacturer's contact information provided on the product packaging or the official website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important details.
