

# SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .361"

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .361"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109956
- Mfr. No.: SAC-361NB
- Diameter (in): .361
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# Safety Instruction Guide for SAC Neck Sizing Bushings

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before using the bushings.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the bushings with care to avoid injury.
- Keep the bushings out of reach of children and pets.
- Inspect the bushings for any damage before use. Do not use if damaged.
- Follow all manufacturer instructions for use and maintenance.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the bushings only with compatible resizing dies specified by the manufacturer.
- Avoid excessive force when inserting or removing bushings from dies to prevent breakage.
- Wear appropriate safety gear, including eye protection, when using resizing equipment.
- Do not attempt to modify or alter the bushings in any way.
- Store the bushings in a dry place to prevent corrosion.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure all equipment is clean and free of debris.
- Gather all necessary tools and materials before starting the resizing process.

### 2. Installation:

- Select the appropriate bushing size for your cartridge.
- Insert the bushing into the resizing die, ensuring it fits snugly.
- Tighten any securing mechanisms on the die to hold the bushing in place.

### 3. Usage:

- Place the cartridge brass into the resizing die.
- Operate the resizing die according to the manufacturer's instructions.
- Monitor the resizing process to ensure that the bushing is functioning correctly.

### 4. PostUse:

- Carefully remove the resized cartridge brass from the die.
- Inspect the brass for proper sizing and any signs of damage.
- Clean the bushings after use to maintain their performance.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of bushings in regular household waste.
- Check with local recycling programs for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings. Thank you for your attention to these important guidelines.
