

# **SAC NECK SIZING BUSHINGS - SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .367"**

[Reloading](#) > [Reloading Dies](#) > [Neck Size Bushings](#)

Short Action Customs Universal Neck Sizing bushings are compatible with common neck sizing dies. Universal outside dimensions of 0.500" diameter by 0.375" in height, these bushings can be used in most resizing dies. Short Action Customs neck resizing bushings have minimized neck runout in cartridge brass in nearly every die they have used them in. After attempting to eliminate and reduce neck runout in sized brass using various commercially available neck bushings, they realized that every neck bushing has the same flaw; a straight, undersized hole when compared to the brass. Their new bushings address the inherent flaws with this system with all new internal bushing geometry designed to reduce neck runout while increasing loaded cartridge concentricity in the chamber. Made from 17-4 stainless steel, then processed with the same black nitriding as their Precision Resizing Dies, the SAC Universal Neck bushings have an incredibly smooth inside finish paired with an extremely slick external finish from nitriding and polishing. Compatible with the following Bushing Size Die Brands: RCBS Whidden Harrells Redding Hornady LE Wilson

## **Attributes**

- Name: [SHORT ACTION CUSTOMS, LLC. SAC NECK SIZING BUSHING .367"](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430109962
- Mfr. No.: SAC-367NB
- Diameter (in): .367
- Delivery weight: 0.113kg
- Shipping height: 3mm
- Shipping width: 76mm
- Shipping length: 127mm

# SAC NECK SIZING BUSHINGS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the SAC Neck Sizing Bushings from Short Action Customs, LLC. This guide provides important safety information and instructions for the proper use and handling of the product. Please read this guide carefully to ensure safe and effective use of the neck sizing bushings.

## General Safety Guidelines

- Always ensure that the neck sizing bushings are used in accordance with the manufacturer's instructions.
- Inspect the product for any visible damage or defects before use.
- Keep the bushings out of reach of children and pets.
- Use appropriate protective equipment, such as safety glasses and gloves, when handling and using the bushings.
- Do not modify or alter the bushings in any way.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the bushing size is compatible with your resizing die before use.
- Do not exceed the recommended pressure when resizing cartridges.
- Avoid using damaged or worn bushings, as this may lead to unsafe conditions.
- Always follow proper reloading practices to ensure safety and product integrity.
- Be aware of the potential hazards associated with handling cartridge brass and reloading components.

## Instructions for Installation and Usage

### 1. Compatibility Check

- Verify that the SAC Neck Sizing Bushing (.367") is compatible with your resizing die brand (RCBS, Whidden, Harrells, Redding, Hornady, LE Wilson).

### 2. Installation

- Remove the resizing die from your reloading press.
- Carefully insert the SAC Neck Sizing Bushing into the die, ensuring it is seated properly.
- Reattach the resizing die to the reloading press, following the manufacturer's instructions.

### 3. Usage

- Prepare your cartridge brass according to standard reloading practices.
- Place the brass in the resizing die and operate the press to resize the neck of the cartridge.
- Monitor the resizing process for any irregularities or issues.

### 4. PostUsage

- Remove the resized brass from the die and inspect for proper sizing.
- Clean the bushings after use to maintain performance and longevity.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Recycle materials when possible, following your local recycling guidelines.

## **Contact Information for Further Support**

For questions or concerns regarding the SAC Neck Sizing Bushings, please reach out to the manufacturer or retailer from whom you purchased the product. They will provide assistance regarding safety inquiries and product support.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your SAC Neck Sizing Bushings.
