Safety Instruction Guide for RANGE FIBER OPTIC SIGHT SET FOR GLOCK® GEN 5 19 & 23

Introduction

Thank you for choosing the RANGE FIBER OPTIC SIGHT SET FOR GLOCK® GEN 5 19 & 23 by AMERIGLO. This guide provides important safety information and instructions to ensure the safe use of your new sight set. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the sight set if it shows any signs of damage or malfunction.
- Ensure that the firearm is unloaded before installing or adjusting the sight set.
- Avoid using the sight set in extreme weather conditions that may affect its performance.
- Always wear appropriate eye protection when using firearms equipped with this sight set.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. Prepare Your Firearm

- Ensure that your Glock® Gen 5 19 or 23 is unloaded and pointed in a safe direction.

2. Remove Existing Sights

- Use the appropriate tools to carefully remove the existing sights from your firearm.

3. Install the Front Sight

- Align the front sight blade with the designated slot on the slide.
- Secure the front sight in place according to the manufacturer's instructions.

4. Install the Rear Sight

- Align the rear sight notch with the rear dovetail on the slide.
- Secure the rear sight as per the manufacturer's guidelines.

5. Check Alignment

- Verify that both sights are properly aligned before use.

Usage

- Aim using the front red fiber optic sight and the square rear notch for optimal accuracy.
- Practice shooting in a controlled environment to become familiar with the sight set.

Disposal Instructions

- Dispose of the sight set responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options or designated disposal sites.

Contact Information for Further Support

For any inquiries or assistance regarding the RANGE FIBER OPTIC SIGHT SET FOR GLOCK® GEN 5 19 & 23, please refer to the manufacturer's website or customer service for support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RANGE FIBER OPTIC SIGHT SET. Thank you for your attention to safety and responsible firearm handling.
