

# GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 10.7" M-LOK HANDGRD FREE FLOAT FOR AR-15 ODG

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

# Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

## Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for your AR15. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the handguard is compatible with your AR15/M4E1 platform. It is not suitable for the M5 .308/M5E1 platform.
- Always handle firearms and accessories with care and follow all local laws and regulations.
- Keep the handguard and all firearm accessories out of reach of children and unauthorized users.
- Inspect the handguard for any damage before installation. Do not use if damaged.
- Use the handguard only as intended and follow the manufacturer's instructions.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for attachments on the handguard.
- Ensure that all attachments are securely fastened to prevent accidents during use.
- Be aware of the potential for heat buildup when firing. Use caution when handling the firearm after use.
- If you experience any issues with the handguard, cease use immediately and contact a qualified gunsmith for assistance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing handguard following the manufacturer's instructions.
- Align the GEN2 Enhanced Handguard with the upper receiver of your AR15.
- Secure the handguard using the provided antirotation tabs and any necessary mounting hardware. Ensure it is tightly fitted to prevent movement.
- Reattach any necessary components, such as the gas block, ensuring they are properly aligned.

### 2. Usage

- Once installed, check the handguard for stability before firing.
- When using the handguard, ensure that your grip does not obstruct the firearm's operation.
- Utilize the quick disconnect sling sockets at the 3, 6, and 9 o'clock positions for secure attachment of slings.
- Always follow safe firearm handling practices while using your AR15.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- If the handguard is damaged beyond repair, consider recycling materials where applicable.
- Do not dispose of the handguard in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the GEN2 Enhanced Free Floating Handguards, please refer to your local authorized dealer or manufacturer's website for additional resources.
