

# GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 10.7" MLOK HANDGRD FREE FLOAT FOR AR15 KODIAK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

# Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

## Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for your AR15. This guide provides essential safety information, installation instructions, and usage tips to ensure safe and effective operation of your handguard. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the handguard is compatible with your AR15/M4E1 platform. This handguard is not compatible with the M5 .308/M5E1 platform.
- Always handle firearms with care and follow proper firearm safety protocols.
- Inspect the handguard for any damage or defects before installation. Do not use if damaged.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- Report any unsafe products or incidents to local authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only compatible muzzle devices and suppressors that fit the 1.78" inside diameter and 1.5" suppressors.
- Ensure that the antirotation tabs are properly engaged during installation to maintain stability.
- Avoid overtightening screws or components, which may cause damage or failure.
- Do not modify the handguard in any way, as this may compromise safety and performance.
- Always wear appropriate eye and ear protection when using firearms equipped with this handguard.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools: a torque wrench, Allen keys, and any additional tools required for your specific AR15 model.
- Ensure that your firearm is unloaded and safe to work on.

### 2. Installation Steps:

- Remove the existing handguard from your AR15 by loosening and removing the screws or clamps.
- Clean the barrel nut and ensure it is free of debris.
- Align the GEN2 Enhanced Handguard with the barrel nut.
- Secure the handguard using the provided screws, ensuring that the antirotation tabs are properly seated.
- Tighten the screws to the manufacturer's recommended torque specifications to ensure a secure fit.

### 3. Usage:

- Once installed, ensure that the handguard is firmly attached before using the firearm.
- Utilize the builtin quick disconnect sling sockets located at the 3, 6, and 9 o'clock positions for attaching slings.
- For optimal performance, avoid excessive heat exposure and do not place hot items directly on the handguard.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding plastic and metal waste.
- Do not incinerate the handguard, as it may release harmful substances into the environment.
- If the handguard is damaged or no longer usable, contact your local waste management service for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or support related to the GEN2 Enhanced Free Floating Handguards, please reach out to the manufacturer or your point of purchase. Ensure that you have the product details and any relevant information ready for assistance.

This safety instruction guide is designed to ensure the safe use of the GEN2 Enhanced Free Floating Handguards for AR15. For your safety and the safety of others, please adhere to all guidelines and instructions provided.
