

GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 12.7" M-LOK HANDGRD FREE FLOAT FOR AR-15 ODG

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

Consumer Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for AR15 by AERO Precision. This guide provides essential safety instructions to ensure the safe use and installation of your handguard. Please read this guide thoroughly before using the product to minimize risks and enhance your experience.

General Safety Guidelines

- Ensure that your handguard is compatible with the AR15/M4E1 platform. This handguard is not suitable for the M5 .308/M5E1 platform.
- Always wear appropriate safety gear, including eye protection, when handling or installing firearm components.
- Keep the handguard and all firearm parts out of reach of children and unauthorized individuals.
- Inspect the handguard for any visible damage or defects before installation. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and accessories.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before beginning any installation or modification.
- Use caution when handling tools during installation to avoid injury.
- Do not exceed the recommended weight limit for accessories mounted on the handguard to prevent failure.
- Be aware of the potential for sharp edges during installation; handle with care to avoid cuts or abrasions.
- If you notice any unusual behavior or instability during use, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools including a torque wrench, appropriate screws, and installation manual.
- Ensure the workspace is clean and free of distractions.

2. Installation Steps

- Remove the existing handguard from your AR15 following the manufacturer's instructions.
- Align the GEN2 Enhanced Handguard with the upper receiver.
- Secure the handguard using the provided antirotation tabs and screws, ensuring a snug fit.
- Use a torque wrench to tighten screws to the manufacturer's specified torque settings.
- Verify that the handguard is securely attached and does not move or wobble.

3. Usage

- Familiarize yourself with the features of the handguard, including the quick disconnect sling sockets.
- Regularly check the stability of the handguard during use and ensure all screws remain tight.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations for firearm accessories.
- If the handguard is damaged beyond repair, consider recycling materials where applicable.
- Do not dispose of in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the GEN2 Enhanced Free Floating Handguards, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines and instructions, you can ensure safe and effective use of your GEN2 Enhanced Free Floating Handguards for AR15. Thank you for your attention to safety and responsible firearm handling.
