

# GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 12.7" MLOK HANDGRD FREE FLOAT FOR AR15 KODIAK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

# Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

## Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for AR15. This product is designed to provide a lightweight and durable option for your custom AR15 build. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure the handguard is compatible with your firearm model (AR15/M4E1). This handguard is not compatible with the M5 .308/M5E1 platform.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Keep the handguard and all firearm components out of reach of children and unauthorized individuals.
- Inspect the handguard regularly for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only compatible muzzle devices and suppressors with an inside diameter of 1.78 inches and 1.5 inches, respectively.
- Ensure that the handguard is properly installed to prevent any movement during use.
- Do not exceed the recommended weight limits for accessories mounted on the handguard.
- Avoid using the handguard in extreme conditions that may compromise its integrity.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation, including a torque wrench.
- Read the installation instructions thoroughly before beginning.

### 2. Installation Steps:

- Remove the existing handguard from your AR15.
- Clean the barrel nut and ensure it is free of debris.
- Align the GEN2 handguard with the barrel nut, ensuring that the antirotation tabs are correctly positioned.
- Tighten the handguard according to the manufacturer's torque specifications to ensure a secure fit.
- Attach any accessories using the MLOK system, ensuring they are securely fastened.

### 3. Usage:

- Once installed, perform a function check to ensure everything is operating correctly.
- Use the quick disconnect sling sockets at the 3, 6, and 9 o'clock positions for secure sling attachment.
- Regularly check the tightness of mounted accessories and the handguard itself.

## **Disposal Instructions**

- Dispose of the handguard in accordance with local regulations regarding plastic and metal waste.
- Do not incinerate the handguard as it may release harmful substances.
- If the handguard is damaged beyond repair, contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the safety and usage of the GEN2 Enhanced Free Floating Handguards for AR15, please contact the manufacturer directly. They can provide additional support and information regarding product safety and compliance with EU regulations.

Thank you for prioritizing safety and compliance while using the GEN2 Enhanced Free Floating Handguards for your AR15. Your safety is our top priority.
