

# GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 15" M-LOK HANDGRD FREE FLOAT FOR AR-15 ODG

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

# Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

## Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for your AR15. This guide provides essential safety instructions to ensure the safe and proper use of this product. Please read and follow these guidelines carefully to avoid potential hazards and ensure a safe experience.

## General Safety Guidelines

- Always handle firearms and firearm accessories with care and responsibility.
- Ensure that the handguard is compatible with your specific AR15 model before installation.
- Keep the handguard and all components out of reach of children and unauthorized users.
- Do not use the handguard in a manner that is inconsistent with its intended purpose.
- Regularly inspect the handguard for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure the firearm is unloaded and the chamber is clear before beginning installation.
  - Use appropriate tools and follow installation instructions carefully.
- **Handling Precautions:**
  - Always treat the firearm as if it is loaded.
  - Avoid placing your fingers inside the trigger guard until you are ready to shoot.
- **Operational Safety:**
  - Do not exceed the manufacturer's specifications for the handguard.
  - Be aware of the muzzle direction at all times when handling the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing handguard by loosening the screws or clamps.
- Position the GEN2 Enhanced Handguard onto the barrel nut, ensuring it aligns properly.
- Securely fasten the handguard using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Check that the handguard is firmly attached and does not move.

### 2. Usage:

- Use the handguard for mounting accessories compatible with the MLOK system.
- Regularly check the tightness of the handguard during use, especially after extensive shooting sessions.
- Clean the handguard with a soft, dry cloth. Avoid using harsh chemicals that may damage the finish.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- Do not dispose of the handguard in regular household waste if it is damaged or broken.

- Contact local waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product concerns, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can ensure a safe and enjoyable experience with your GEN2 Enhanced Free Floating Handguards. Thank you for prioritizing safety!
