# Safety Instruction Guide for M5 (.308) Enhanced Gen2 MLOK Handguards

## Introduction

Thank you for choosing the M5 (.308) Enhanced Gen2 MLOK Handguards by Aero Precision. This guide provides essential safety information and instructions to ensure the safe use, installation, and disposal of your handguards. Please read this guide carefully before use.

## General Safety Guidelines

To ensure safe usage of your handguards, please adhere to the following guidelines:

- Always inspect the handguards for any visible damage before installation and use.
- Ensure that the handguards are compatible with your firearm model (M5 .308/M5E1 platform only).
- Use only the recommended barrel nut and accessories as specified by the manufacturer.
- Avoid using the handguards with incompatible platforms such as AR15/M4E1.
- Keep the handguards out of reach of children and pets to prevent accidental injuries.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the M5 (.308) Enhanced Gen2 MLOK Handguards, follow these precautions:

- **Installation Precaution:** Ensure that the handguards are installed by a qualified gunsmith or experienced individual to prevent improper installation.
- **Weight Limit:** Do not exceed the weight limit of accessories mounted on the handguards to maintain stability and safety.
- **Heat Management:** Be aware that the handguards may become hot during prolonged use. Use protective gloves if necessary.
- **Sling Attachment:** When using the quick disconnect sling socket, ensure it is securely attached to avoid accidental detachment.
- **Regular Maintenance:** Regularly check for wear and tear, especially at connection points and mounting areas.

## Instructions for Installation and Usage

To ensure proper installation and usage of your handguards, follow these steps:

### 1. Preparation:

- Gather necessary tools including a torque wrench, appropriate socket for the barrel nut, and any additional tools required for your firearm.
- Ensure your workspace is clean and free of obstructions.

### 2. Installation:

- Remove the existing handguard from your firearm according to the manufacturer's instructions.
- Install the new barrel nut (sold separately) using a torque wrench to the manufacturer's specifications.
- Slide the M5 (.308) Enhanced Gen2 MLOK Handguard over the barrel nut.
- Secure the handguard in place using the antirotation tabs and any provided hardware.
- Confirm that the handguard is properly aligned and securely fastened.

### 3. Usage:

- When mounting accessories, ensure they are compatible with the MLOK system.
- Regularly check the tightness of mounted accessories and the handguard itself.
- Follow all firearm safety protocols while handling your firearm equipped with the handguards.

## Disposal Instructions

When it comes time to dispose of your handguards, please follow these guidelines:

- Dispose of the handguards in accordance with local regulations regarding aluminum and plastic waste.
- If the handguards are damaged or broken, ensure they are safely packaged to avoid injury during disposal.
- Do not dispose of the handguards in regular household waste if they contain any hazardous materials. Check with local waste management for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the M5 (.308) Enhanced Gen2 MLOK Handguards, please reach out to your point of purchase or the manufacturer directly for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your M5 (.308) Enhanced Gen2 MLOK Handguards. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
