

# **M5 (.308) ATLAS S-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR 308 - AERO PRECISION M5 (.308) ATLAS S-ONE 15" HANDGUARD M-LOK FOR AR-308 KODIAK**

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. **LIGHTWEIGHT BY DESIGN M-LOK**

Handguard Weights: 12.7" - 7.66 oz / 15" - 8.71 oz Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. Mounting Hardware Weight: 4.72 oz (same across all S-ONE Handguard options) FEATURES: Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers SPECS Made In America? Yes Platform M5 Series ATLAS Attachment Type M-LOK Material Machined from 6061-T6 aluminum M-LOK Handguard Weights: 12.7" - 7.66 oz / 15" - 8.71 oz Other Mounting Hardware Weight: 4.72 oz ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. PLEASE NOTE: These handguards do not come with a wrench. A standard armorer's wrench will work with all M5 ATLAS Handguards.

# Safety Instruction Guide for M5 (.308) ATLAS SONE MLOK Free Floating Handguards

## Introduction

Welcome to the safety instruction guide for the M5 (.308) ATLAS SONE MLOK Free Floating Handguards. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure your safe experience with this product. Please read this guide thoroughly before using the handguards.

## General Safety Guidelines

- Ensure that the handguard is compatible with your firearm model before installation.
- Always handle firearms and accessories responsibly and in accordance with local laws and regulations.
- Inspect the handguard and all mounting hardware for damage before use.
- Store the handguard in a safe, dry place away from children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limits for attachments on the handguard.
- Ensure that the handguard is securely mounted before use to prevent accidental detachment.
- Avoid using the handguard with noncompatible upper receivers, as this may compromise safety.
- Always wear appropriate safety gear, such as eye protection, when using firearms.
- Keep hands and body clear of the muzzle when installing or handling the firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a standard armorers wrench (not included).
- Ensure you have a clean and welllit workspace.

### 2. Installation Steps

- Remove the existing handguard from your firearm, if applicable.
- Align the ATLAS attachment system with the barrel nut using the provided clamping nuts.
- Securely tighten the locking nuts using the turnbuckle screw to ensure even clamping pressure.
- Use the ratcheting detent to secure the handguard in place and provide positive registration.
- Confirm that the handguard is mounted securely and does not move when pulled.

### 3. Usage

- Once installed, ensure that the handguard is free from obstructions and that all attachments are secure.
- Regularly inspect the handguard for signs of wear or damage during use.

## Disposal Instructions

- Dispose of the handguard and all associated components in accordance with local regulations.
- Recycle materials where possible, ensuring that all metal parts are disposed of responsibly.
- Do not dispose of the handguard in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the M5 (.308) ATLAS SONE MLOK Free Floating Handguards, please reach out to the manufacturer or your point of purchase for assistance.

This guide aims to provide a clear understanding of safe practices surrounding the use of the M5 (.308) ATLAS SONE MLOK Free Floating Handguards, in compliance with the EU General Product Safety Regulation (GPSR). Always prioritize safety and responsible usage when handling firearms and accessories.
