

# M5 (.308) ATLAS S-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR 308 - AERO PRECISION M5 .308 ATLAS S-ONE 12.7" HANDGUARD M-LOK FOR AR-308 KODIAK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 12.7" - 7.66 oz / 15" - 8.71 oz Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. Mounting Hardware Weight: 4.72 oz (same across all S-ONE Handguard options) FEATURES: Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers SPECS Made In America? Yes Platform M5 Series ATLAS Attachment Type M-LOK Material Machined from 6061-T6 aluminum M-LOK Handguard Weights: 12.7" - 7.66 oz / 15" - 8.71 oz Other Mounting Hardware Weight: 4.72 oz ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. PLEASE NOTE: These handguards do not come with a wrench. A standard armorers wrench will work with all M5 ATLAS Handguards.

# Safety Instruction Guide for M5 (.308) ATLAS SONE MLOK Free Floating Handguards

## Introduction

Thank you for choosing the M5 (.308) ATLAS SONE MLOK Free Floating Handguards. This guide provides essential safety instructions to ensure the proper and safe use of this product. Please read the entire manual carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the handguard as it is designed for specific firearms. Misuse can lead to accidents.
- **Enhanced Recalls:** Stay informed about product recalls through official channels. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations. Verify the authenticity of the product.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach to prevent accidental injuries.
- **EU Contact Point:** For any safety inquiries, please consult an EU-based contact or authority.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Proper Use:** Only use the handguard with compatible AR308 rifles. Ensure it is properly installed to avoid malfunction.
- **Inspection:** Before each use, inspect the handguard for any signs of damage or wear. Do not use if damaged.
- **Installation:** Follow installation instructions carefully. Incorrect installation can compromise safety and functionality.
- **Weight Considerations:** Be aware of the weight of the handguard and ensure your firearm can accommodate it without affecting balance.
- **Compatibility:** Ensure compatibility with your specific firearm model. This handguard is not compatible with M5E1 Enhanced Upper Receivers.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a standard armors wrench.
- Ensure you are working in a clean, well-lit area.

### 2. Installation Steps:

- Remove the existing handguard from your AR308 rifle.
- Clean the barrel nut area to remove any debris.
- Align the ATLAS handguard with the barrel nut.
- Use the provided clamping nuts and turnbuckle screw to secure the handguard in place.
- Ensure the handguard is level and properly aligned with the receiver.

### 3. Post-Installation Check:

- Verify that the handguard is securely attached.

- Check for any movement or play in the handguard.
- Test the functionality of the firearm before regular use.

#### **4. Usage Tips:**

- When using the handguard, maintain a firm grip and ensure proper shooting stance.
- Avoid applying excessive force to the handguard during use, as this may cause damage.

## **Disposal Instructions**

- Dispose of the handguard responsibly. Follow local regulations for the disposal of aluminum and firearm accessories.
- If the handguard is damaged beyond use, consider recycling the materials where applicable.

## **Contact Information for Further Support**

For assistance or inquiries regarding the M5 (.308) ATLAS SONE MLOK Free Floating Handguards, please consult the retailer or manufacturer from whom you purchased the product.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy your shooting experience with the M5 (.308) ATLAS SONE Handguards.
