

# **M5 (.308) ATLAS S-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR 308 - AERO PRECISION M5 (.308) ATLAS S-ONE 12.7" HANDGUARD M-LOK FOR AR-308 ODG**

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. **LIGHTWEIGHT BY DESIGN M-LOK**

Handguard Weights: 12.7" - 7.66 oz / 15" - 8.71 oz Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. Mounting Hardware Weight: 4.72 oz (same across all S-ONE Handguard options) FEATURES: Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers SPECS Made In America? Yes Platform M5 Series ATLAS Attachment Type M-LOK Material Machined from 6061-T6 aluminum M-LOK Handguard Weights: 12.7" - 7.66 oz / 15" - 8.71 oz Other Mounting Hardware Weight: 4.72 oz ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. PLEASE NOTE: These handguards do not come with a wrench. A standard armorer's wrench will work with all M5 ATLAS Handguards.

# M5 (.308) ATLAS SONE MLOK Free Floating Handguards Safety Instructions

## Introduction

Thank you for choosing the M5 (.308) ATLAS SONE MLOK Free Floating Handguards for your AR308 Aero Precision build. This guide provides essential safety instructions, installation guidelines, and disposal information to ensure safe and effective use of the product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** Ensure that the handguard is used in accordance with the instructions provided. Improper use may lead to accidents or injuries.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, verify that the seller complies with EU safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's website or customer service.
- **Rapid Alerts:** Be aware of faster updates regarding unsafe products through the Safety Gate system.

## Specific Safety Precautions for Use

### • Installation:

- Ensure that you have the correct tools, including a standard armorer's wrench, for installation.
- Only use the handguard with compatible AR308 models. Verify compatibility with your specific upper receiver and barrel.

### • Handling:

- Always handle the handguard with care to avoid damage.
- Wear safety glasses during installation to protect your eyes from debris.

### • Mounting:

- Ensure all mounting hardware is properly secured before use.
- Avoid overtightening the screws, as this may lead to distortion or damage.

### • Usage:

- Do not exceed the weight capacity of the handguard. Ensure that accessories mounted do not compromise safety.
- Regularly inspect the handguard and mounting hardware for any signs of wear or damage.

### • Disposal:

- Dispose of the product responsibly. Follow local regulations for disposal of aluminum and other materials.

# Instructions for Installation and Usage

## 1. Preparation:

- Gather all necessary tools, including a standard armorer's wrench and any additional tools required for your specific setup.

## 2. Installation Steps:

- Remove the existing handguard from your AR308 rifle.
- Clean the barrel nut area to ensure a secure fit.
- Align the ATLAS handguard with the barrel nut and slide it into place.
- Secure the handguard using the provided tapered locking nuts and turnbuckle screw.
- Tighten the screws evenly to ensure proper clamping pressure without overtightening.

## 3. PostInstallation Check:

- After installation, check that the handguard is firmly attached and does not move when pulled or pushed.
- Ensure that all accessories are securely mounted and that there is no interference with the operation of the firearm.

## 4. Usage:

- Use the handguard as intended for stabilizing your rifle and mounting accessories.
- Always follow firearm safety protocols when handling your AR308.

## Disposal Instructions

- When disposing of the M5 (.308) ATLAS SONE Handguards, follow these guidelines:
  - Check local regulations for proper disposal methods for aluminum products.
  - Consider recycling the aluminum material to minimize environmental impact.
  - Ensure that all components are disposed of in a safe manner, preventing any potential hazards.

## Contact Information for Further Support

For any questions or concerns regarding the M5 (.308) ATLAS SONE MLOK Free Floating Handguards, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your new handguard and the enhanced performance it provides for your AR308 build.
