

ATLAS R-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION ATLAS R-ONE 9.3" HANDGUARD MLOK FREE FLOAT FOR AR15 ODG ANO

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

Safety Instruction Guide for ATLAS RONE MLOK Free Floating Handguards

Introduction

Congratulations on your purchase of the ATLAS RONE MLOK Free Floating Handguard for AR15 from Aero Precision. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your handguard. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always treat firearms as if they are loaded.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- Inspect the handguard for any damage before each use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only with milspec AR15 upper receivers and barrels to ensure compatibility.
- Do not attempt to modify the handguard or its components.
- Ensure that the handguard is securely mounted before handling the firearm.
- Avoid placing any objects in the path of the firearm's muzzle.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Gather all necessary tools and hardware included with your ATLAS RONE Handguard.
2. **Remove Old Handguard:** If applicable, safely remove the existing handguard from your AR15.
3. **Install Barrel Nut:**
 - Attach the custom engineered barrel nut using the provided turnbuckle screw.
 - Ensure the barrel nut is tightened evenly to avoid distortion.
4. **Attach Handguard:**
 - Slide the ATLAS RONE Handguard over the barrel nut.
 - Align the handguard with the indexed positions on the upper receiver.
5. **Secure Handguard:**
 - Use the mirrored tapered locking nuts to secure the handguard.
 - Ensure that the ratcheting detent is engaged for added security.
6. **Final Check:** Inspect the installation to confirm that everything is secure and properly aligned.

Usage Instructions

- Always ensure the firearm is unloaded before handling or modifying.
- Use the full top picatinny rail for optional attachments as needed.
- Utilize the quick disconnect sling socket at the 3, 6, and 9 o'clock positions for added convenience.
- Regularly inspect the handguard and mounting hardware for any signs of wear or damage.

Disposal Instructions

- Dispose of the ATLAS RONE Handguard and its components in accordance with local regulations.
- Do not dispose of the handguard in regular household waste.
- Consider recycling options for aluminum components where available.

Contact Information for Further Support

For any inquiries regarding safety or installation, please refer to the manufacturer's website or customer support resources.

By following these guidelines, you can ensure the safe use of your ATLAS RONE MLOK Free Floating Handguard. Thank you for choosing Aero Precision products. Stay safe and enjoy your shooting experience!
