

ATLAS S-ONE M-LOK FREE FLOATING HANDGUARD FOR AR-15 - AERO PRECISION ATLAS S-ONE 12.7" HANDGUARD M-LOK FREE FLOAT FOR AR15 KODIAK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Not Your Average Handguard

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Actual Handguard Lengths: 7.3", 9.3", 10.3", 12.7", 15" -- Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. Available in M-LOK profiles with 7.3", 9.3", 10.3", 12.7" and 14.94 (Actual Length 15") options. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 7.3" - 4.86 oz / 9.3" - 5.47 oz / 10.3" - 6.0 oz / 12.7" - 7.00 oz / 15" - 7.95 oz Mounting Hardware Weight: 1.9 oz (same across all S-ONE Handguard options) FEATURES: Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M4E1 Enhanced Upper Receivers ATLAS Handguards are designed to match seamlessly with Aero's M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. Please note: The ATLAS Handguards are NOT compatible with Aero's M4E1 Enhanced Upper Receiver.

ATLAS SONE MLOK Free Floating Handguard Safety Instructions

Introduction

Thank you for choosing the ATLAS SONE MLOK Free Floating Handguard for your AR15. This product is designed for enhanced performance and safety. Please read this safety instruction guide carefully to ensure proper use and maintenance of your handguard.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the handguard is properly installed before using your firearm.
- Regularly inspect your handguard for any signs of wear or damage.
- Store your firearm in a secure location, away from children and unauthorized users.
- If you notice any issues with the handguard, do not use the firearm until it has been inspected by a qualified gunsmith.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the handguard is compatible with your specific AR15 model.
- Do not exceed the recommended weight limits for accessories mounted on the handguard.
- Avoid using the handguard to support the weight of the firearm when not in use.
- Be aware of the handguard's temperature during use; it may become hot after firing.
- Always use protective gear, such as gloves and eye protection, when handling firearms.

Instructions for Installation and Usage

1. Installation

- Gather all necessary tools and hardware included with the ATLAS Handguard.
- Ensure that your AR15 is unloaded and safe before beginning the installation.
- Remove the existing handguard, if applicable, following the manufacturer's instructions.
- Align the ATLAS Handguard with the upper receiver, ensuring proper fit.
- Use the provided mounting hardware to secure the handguard, following the installation instructions included in the package.
- Doublecheck that all screws and nuts are tightened securely.

2. Usage

- After installation, verify that the handguard is firmly attached before use.
- Familiarize yourself with the features of the handguard, such as the picatinny rail positions and MLOK slots.
- When attaching accessories, ensure they are compatible with MLOK and do not exceed weight limits.
- Regularly check the stability of the handguard and accessories during use.

Disposal Instructions

- Dispose of the ATLAS Handguard according to local regulations for metal recycling.
- Remove any nonmetal components before disposal.
- Do not dispose of the handguard in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the ATLAS SONE MLOK Free Floating Handguard, please refer to the manufacturer's contact information provided in the product packaging or on the manufacturer's website.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your ATLAS SONE MLOK Free Floating Handguard. Thank you for your attention to safety.
