

ATLAS S-ONE M-LOK FREE FLOATING HANDGUARD FOR AR-15 - AERO PRECISION ATLAS S-ONE 9.3" HANDGUARD M-LOK FREE FLOAT FOR AR-15 ODG

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Not Your Average Handguard

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Actual Handguard Lengths: 7.3", 9.3", 10.3", 12.7", 15" -- Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. Available in M-LOK profiles with 7.3", 9.3", 10.3", 12.7" and 14.94 (Actual Length 15") options. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 7.3" - 4.86 oz / 9.3" - 5.47 oz / 10.3" - 6.0 oz / 12.7" - 7.00 oz / 15" - 7.95 oz Mounting Hardware Weight: 1.9 oz (same across all S-ONE Handguard options) FEATURES: Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M4E1 Enhanced Upper Receivers ATLAS Handguards are designed to match seamlessly with Aero's M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. Please note: The ATLAS Handguards are NOT compatible with Aero's M4E1 Enhanced Upper Receiver.

ATLAS SONE MLOK Free Floating Handguard Safety Instructions

Introduction

Thank you for choosing the ATLAS SONE MLOK Free Floating Handguard for your AR15. This product is designed to enhance your firearm's performance while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure safe use of the ATLAS SONE Handguard by following these guidelines:
 - Always handle firearms with care and ensure they are unloaded when installing or adjusting components.
 - Keep the handguard and all accessories out of reach of children and unauthorized users.
 - Inspect the handguard and mounting hardware regularly for any signs of wear or damage.
 - Only use the handguard with compatible milspec AR15 upper receivers and barrels.
 - Do not use the handguard with M4E1 Enhanced Upper Receivers, as compatibility is not guaranteed.
 - Report any unsafe product experiences or accidents to the appropriate authorities.
 - Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using the ATLAS SONE Handguard, please observe the following precautions:
 - Ensure that the firearm is pointed in a safe direction at all times.
 - Do not exceed the manufacturer's weight limits for mounted accessories.
 - Use the provided mounting hardware to secure the handguard properly.
 - Avoid using the handguard in conditions that may cause excessive heat or corrosion.
 - Regularly check the tightness of the mounting screws to maintain stability.
 - Use protective eyewear when handling or installing the handguard.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the ATLAS SONE Handguard:

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure the firearm is unloaded and safe to work on.

2. Installation:

- Align the handguard with the upper receiver.
- Insert the barrel nut through the handguard and attach it to the receiver using the provided locking nuts.
- Use the turnbuckle screw to secure the barrel nut evenly, ensuring proper clamping pressure.
- Tighten the locking nuts according to the manufacturer's specifications to avoid distortion.

3. Final Checks:

- Inspect the installation for any misalignments or loose components.
- Ensure that the handguard is securely attached and does not interfere with the operation of the firearm.

4. Usage:

- Utilize the front and rear picatinny rails for mounting accessories.
- Ensure that any mounted accessories do not exceed the weight limits specified by the manufacturer.
- Regularly clean and maintain the handguard to ensure optimal performance.

Disposal Instructions

- When disposing of the ATLAS SONE Handguard, please follow these guidelines:
 - Dispose of the handguard in accordance with local regulations for aluminum products.
 - Do not dispose of the handguard in general waste if it is damaged or contains any hazardous materials.
 - Consider recycling the aluminum components to reduce environmental impact.

Contact Information for Further Support

- For any inquiries or further assistance regarding the ATLAS SONE Handguard, please refer to the contact information provided by the manufacturer or retailer from whom you purchased the product.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your ATLAS SONE MLOK Free Floating Handguard.
