# Safety Instruction Guide for BILLET LOADING BLOCKS AREA 419 BILLET LOADING BLOCK 0.452" CLEAR ANODIZED

## Introduction

Thank you for choosing the BILLET LOADING BLOCKS AREA 419 BILLET LOADING BLOCK. This loading block is designed to enhance your reloading experience by providing a secure and organized method for holding ammunition. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure that the loading block is used in a welllit and clean area.
- Always handle ammunition with care and follow proper safety protocols.
- Keep the loading block out of reach of children and unauthorized users.
- Regularly inspect the loading block for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The loading block is designed for specific cartridge types. Ensure you are using the correct cartridges (6.5 Grendel, 6 mm ARC).
- The holes are designed to fit tightly around the cases. Avoid forcing cartridges into the holes to prevent damage.

### • Avoiding Hazards:

- Do not overload the loading block beyond its intended capacity.
- Ensure that the block is placed on a stable surface to prevent tipping or sliding.
- Be cautious of powder spills. The divots in the hole bottoms are designed to catch powder kernels, but always clean up any spills immediately.

### • AgeSpecific Warning:

- This product is not intended for use by children. Keep it stored securely away from minors.

## Instructions for Installation and Usage

### 1. Setup:

- Place the loading block on a flat, stable surface.
- Ensure that the rubber pads on the bottom of the block are intact to prevent sliding.

### 2. Loading Ammunition:

- Identify the appropriate hole for your cartridge type (e.g., 6.5 Grendel or 6 mm ARC).
- Carefully insert the cartridge into the hole, ensuring a snug fit.
- Do not force the cartridge into the hole. If it does not fit, check for the correct size.

### 3. During Use:

- Always monitor the loading block while in use to prevent any accidents.
- If you notice any instability or wear, discontinue use immediately.

#### **4. After Use:**

- Remove all cartridges from the loading block and store them safely.
- Clean the loading block as needed to remove any debris or powder residue.

## **Disposal Instructions**

When the loading block has reached the end of its life or is no longer usable: \* Dispose of the loading block in accordance with local regulations regarding aluminum products. \* Do not dispose of the loading block in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the BILLET LOADING BLOCKS AREA 419 BILLET LOADING BLOCK, please refer to your local regulations and contact relevant authorities if needed.

Thank you for your attention to these safety guidelines. Enjoy your reloading experience with the BILLET LOADING BLOCKS AREA 419!
