- Always inspect the vest for any signs of damage or wear before each use.
- The vest is designed for adults and should not be used by children without adult supervision.
- Store the vest in a cool, dry place away from direct sunlight to maintain its integrity.

Specific Safety Precautions for Use

- Use the integrated InsertAPad compatible pocket only with compatible pads to avoid injury.
- Be cautious with the choke tube pocket; ensure that tubes are stored securely to avoid accidental discharge.

- Ensure any additional padding is inserted correctly into the InsertAPad compatible pocket.
- Place shotgun shell boxes in the bellowed front cargo pockets, ensuring they are secure.
