FULL MESH SHOOTING VEST SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Bob Allen Full Mesh Shooting Vest. This vest is designed for comfort and functionality while providing essential features for shooting sports. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the vest before use to ensure it is in good condition.
- Ensure that all pockets are secure and free of obstructions before engaging in shooting activities.
- Be aware of your surroundings and follow all local laws and regulations regarding shooting.
- Use the vest only for its intended purpose and as described in this manual.
- Keep the vest out of reach of children when not in use.

Specific Safety Precautions for Use

- **Lightweight and Breathable Mesh Construction:** While the mesh is designed for breathability, it may not provide protection against sharp objects or extreme weather. Always assess your environment before using the vest.
- **Integrated Insert/APad Compatible Pocket:** Ensure that any inserts used are compatible and securely placed in the pocket to avoid any movement during use.
- **Choke Tube Pocket:** Keep choke tubes securely stored in their designated pocket to prevent loss or accidental injury.
- **Side Tabs for Waist Adjustment:** Adjust the side tabs to ensure a snug fit, but do not overtighten as this may restrict movement.
- **Bellowed Front Cargo Pockets:** Use these pockets for shotgun shell boxes only. Ensure they are closed when not in use to prevent shells from falling out.
- **Extra Two Shell Loops for Spares:** Use the shell loops to store extra shells securely. Do not overload the loops to avoid accidental discharge.

Instructions for Installation and Usage

1. Wearing the Vest:

- Put on the vest and adjust the side tabs for a comfortable fit.
- Ensure that the vest does not obstruct your movement.

2. Using the Pockets:

- Store shotgun shells in the bellowed front cargo pockets, ensuring they are secure.
- Place any inserts in the compatible pocket, ensuring they are fitted correctly.
- Keep choke tubes in the designated pocket and check that they are secure before use.

3. Adjusting the Vest:

- Adjust the side tabs at the waist to achieve a comfortable fit that allows for easy movement.
- Check the fit before engaging in any shooting activities.

4. Safety Checks:

- Before each use, inspect the vest for any signs of wear or damage.
- Ensure all pockets are closed and secure before heading to your shooting location.

Disposal Instructions

- When the vest is no longer usable, dispose of it in accordance with local regulations.
- Consider recycling the vest if possible, or donate it if it is still in good condition.
