# FULL MESH SHOOTING VEST SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Bob Allen Full Mesh Shooting Vest. This vest is designed to provide comfort and functionality for shooting sports enthusiasts. Please read this safety instruction guide carefully to ensure safe use and enjoyment of your product.

## General Safety Guidelines

- Ensure that the vest is suitable for your size and fits properly before use.
- Always inspect the vest for any signs of damage or wear before each use.
- Keep the vest clean and free from debris to maintain its effectiveness and safety features.
- Be aware of your surroundings while using the vest, especially in shooting environments.
- Follow all local laws and regulations regarding shooting and firearm safety.

## Specific Safety Precautions for Use

- The vest is designed for adult use only. It is not suitable for children.
- Do not overload the pockets with excessive weight, as this may affect your balance and movement.
- Ensure that the integrated InsertAPad compatible pocket is used correctly to avoid discomfort or injury.
- Use the side tabs for waist adjustment to ensure a secure fit. A loose vest can hinder your movement and pose a safety risk.
- Always store your shotgun shells and choke tubes in the designated pockets to prevent accidental discharge or loss.
- When not in use, keep the vest in a safe place away from children and pets.

## Instructions for Installation and Usage

### 1. Fitting the Vest:

- Put on the vest and adjust the side tabs to achieve a comfortable and secure fit.
- Ensure that the vest does not restrict your movement.

### 2. Using the Pockets:

- Insert shotgun shells into the bellowed front cargo pockets, ensuring they are secure.
- Store choke tubes in the designated pocket to prevent loss and ensure easy access.

### 3. Using the InsertAPad Compatible Pocket:

- If using an insert pad, ensure it is compatible and properly positioned within the pocket.
- Adjust the vest as necessary to accommodate the insert for comfort.

### 4. Maintenance:

- Regularly check the vest for any signs of wear, particularly in the seams and pockets.
- Clean the vest according to the manufacturer's instructions to maintain its integrity and safety features.

## Disposal Instructions

- Dispose of the vest responsibly in accordance with local waste disposal regulations.
- If the vest is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the vest in regular household waste if it can be recycled.
