

AK-47 FSC47 MOD 2 MUZZLE BRAKE 7.62X39 - FSC47 MOD 2 MUZZLE BRAKE 7.62X39 14X1 LH STEEL BLACK

In addition to offering superior compensation characteristics, PWS FSC Series provides enough flash suppression to keep the flash out of your optics and line of sight. Designed for both competitive and tactical use, the FSC Series allows for superior muzzle stabilization and aids the shooter in faster follow-up shots and accuracy. The unique port design of the FSC Series yields muzzle control that meets or exceeds the performance of the best muzzle brakes on the market without the teeth-rattling overpressure indicative of other brakes and compensators. Caliber – .30 Length – 2.10" Diameter – .865" Thread Pitch – 14×1 LH Weight – 2.0 oz

Safety Instruction Guide for AK47 FSC47 MOD 2 Muzzle Brake 7.62x39

Introduction

Thank you for choosing the AK47 FSC47 MOD 2 Muzzle Brake. This product is designed to enhance your shooting experience by providing superior muzzle stabilization, flash suppression, and improved accuracy. However, it is essential to use this product safely and responsibly. This guide outlines important safety instructions and guidelines to ensure your safety and the optimal performance of your muzzle brake.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearm accessories in your area before using this product.
- Always follow the manufacturer's instructions and guidelines for safe use.
- Keep the muzzle brake out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of wear or damage.
- Store the muzzle brake in a secure location when not in use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using firearms equipped with this muzzle brake.
- Ensure that the firearm is unloaded before installing or removing the muzzle brake.
- Do not use the muzzle brake if it shows signs of damage or excessive wear.
- Avoid using the muzzle brake with ammunition that exceeds the specified caliber.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the muzzle brake or use it in a manner not intended by the manufacturer.

Instructions for Installation and Usage

Installation

1. **Safety First:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Threading:** Align the muzzle brake with the firearm's muzzle. The thread pitch for this muzzle brake is 14x1 LH.
3. **Secure Attachment:** Handtighten the muzzle brake onto the threads until it is snug. Do not overtighten, as this may damage the threads.
4. **Final Check:** Once installed, check for any movement or looseness in the muzzle brake.

Usage

- When firing, maintain a proper grip on the firearm to ensure stability and control.
- Monitor the performance of the muzzle brake during use. If you notice any unusual behavior, cease use immediately and inspect the product.
- After use, clean the muzzle brake according to the manufacturer's recommendations to ensure longevity and performance.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations regarding metal products.
- If the muzzle brake is damaged beyond repair, ensure it is rendered unusable before disposal.
- Recycle materials where possible to reduce environmental impact.

Contact Information for Further Support

For any inquiries regarding safety, usage, or other concerns, please refer to the manufacturer's contact information available on the product packaging or the official website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AK47 FSC47 MOD 2 Muzzle Brake. Always prioritize safety and responsible use in all shooting activities.
