

AR-15 ENHANCED BUFFERS CARBINE BLACK - PRIMARY WEAPONS

AR-15 ENHANCED BUFFER STEEL BODY CARBINE H3 BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

The Primary Weapons Systems MOD 2 4140 Steel Body Buffers have a unique fluted design with minimum contact points, allowing debris to clear easily, while the FNC LIFE HD treatment chemically bonds in lubrication for smoother cycling. These Enhanced buffers are available in H2, H3, and H4 weights. H2 weighs 4.4oz H3 weighs 5.1oz H4 weighs 6.8oz The H4 buffer is the heaviest buffer offered by PWS, and is intended for suppressed use.

Safety Instruction Guide for AR15 Enhanced Buffers Carbine

Introduction

Thank you for purchasing the AR15 Enhanced Buffers Carbine by Primary Weapons Systems. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure the safe and effective use of your product. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding the use of firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible AR15 rifles to avoid malfunctions.
- Ensure that the buffer weight is appropriate for your specific firearm setup.
- Do not exceed the manufacturer's recommended specifications for weight and use.
- Avoid using the buffer in conditions that may compromise safety, such as extreme temperatures or moisture.
- Always wear appropriate safety gear, including eye protection, when operating your firearm.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and safe before beginning installation.
- Remove the existing buffer from the buffer tube by following these steps:
 - Depress the buffer retaining pin.
 - Slide the buffer out of the buffer tube.
- Insert the new AR15 Enhanced Buffer into the buffer tube.
- Ensure that the buffer is securely in place and that the buffer retaining pin is properly engaged.

2. Usage

- Test the buffer by cycling the action of the firearm without ammunition to ensure smooth operation.
- When using the firearm, monitor for any unusual noises or malfunctions.
- If any issues arise, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearms and accessories.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's website or contact the designated EUbased support center. Always ensure you have the product information ready for a more efficient response.

Thank you for choosing the AR15 Enhanced Buffers Carbine. Your safety and satisfaction are our top priorities. Please adhere to these guidelines to ensure safe and effective usage of your product.
