## AR-15 ENHANCED BUFFER STEEL BODY CARBINE H4 BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

The Primary Weapons Systems MOD 2 4140 Steel Body Buffers have a unique fluted design with minimum contact points, allowing debris to clear easily, while the FNC LIFE HD treatment chemically bonds in lubrication for smoother cycling. These Enhanced buffers are available in H2, H3, and H4 weights. H2 weighs 4.4oz H3 weighs 5.1oz H4 weighs 6.8oz The H4 buffer is the heaviest buffer offered by PWS, and is intended for suppressed use.

### Attributes

- Name: [PRIMARY WEAPONS AR-15 ENHANCED BUFFER STEEL BODY CARBINE H4 BLACK](#)
- Manufacturer: [PRIMARY WEAPONS](#)
- Product no.: 430113176
- Mfr. No.: EBUFFER-H4
- Weapon type: AR-15
- Delivery weight: 0.207kg
- Shipping height: 32mm
- Shipping width: 51mm
- Shipping length: 143mm
- UPC: 811154033703

### Item details

Made in USA

US export classification: 0A501.x

# Safety Instruction Guide for AR15 Enhanced Buffers Carbine

## Introduction

Thank you for choosing the AR15 Enhanced Buffers Carbine by Primary Weapons Systems. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this document carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that all users are familiar with the operation and safety features of the AR15 Enhanced Buffers Carbine.
- Always handle the product as if it is loaded, and keep the muzzle pointed in a safe direction.
- Store the product securely and out of reach of children and unauthorized users.
- Use only compatible ammunition and accessories as specified by the manufacturer.
- Regularly inspect the product for signs of wear, damage, or malfunction. Do not use if any issues are detected.
- In the event of a malfunction, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using the AR15 Enhanced Buffers Carbine.
- Avoid using the product in wet or damp conditions to prevent damage and ensure proper functionality.
- Be aware of your surroundings and ensure that you have a clear and safe area for shooting.
- Do not modify the product in any way that could compromise its safety or performance.
- Ensure that the buffer weight used is appropriate for the specific application, especially when using the H4 buffer, which is designed for suppressed use.

## Instructions for Installation and Usage

### 1. Installation of the Buffer:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing buffer from the buffer tube by pressing the buffer retaining pin and sliding the buffer out.
- Insert the new AR15 Enhanced Buffer into the buffer tube, ensuring it is seated properly.
- Replace the buffer retaining pin to secure the buffer in place.

### 2. Usage Instructions:

- Before firing, perform a function check to ensure that the buffer is installed correctly and that the firearm operates smoothly.
- When firing, maintain a firm grip on the firearm and be prepared for recoil.
- Monitor the cycling of the firearm during use. If you notice any irregularities, cease use immediately.

### 3. PostUse Care:

- After use, clean the buffer and surrounding areas to remove any debris or residue.
- Store the buffer in a dry and secure location to prevent damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact local authorities or waste management facilities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For questions or concerns regarding the AR15 Enhanced Buffers Carbine, please consult the manufacturer's website or contact your local authorized dealer. It is important to have access to support for any safety inquiries.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 Enhanced Buffers Carbine. Always prioritize safety and responsibility when using firearms. Thank you for your attention to these important guidelines.
