# Safety Instruction Guide for AR 308 Enhanced Buffer Carbine

## Introduction

Thank you for choosing the AR 308 Enhanced Buffer Carbine. This guide provides essential safety instructions, general guidelines, and installation instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that all users are familiar with the safe handling and operation of firearms and related equipment.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and its components in a secure location away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage. If you notice any issues, discontinue use immediately.
- Follow all local laws and regulations regarding firearms and related accessories.
- Use only compatible components and accessories with the AR 308 Enhanced Buffer Carbine.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the firearm.
- Do not exceed the manufacturer's recommended specifications for ammunition and accessories.
- Avoid using the product in wet or damp conditions to prevent corrosion and other damage.
- Ensure that the buffer is properly installed and secured before use.
- Be aware of your surroundings and ensure that you have a clear and safe area for shooting.
- Do not modify the product in any way that could compromise its safety or performance.

## Instructions for Installation and Usage

### Installation

1. **Check Compatibility:** Ensure that the AR 308 Enhanced Buffer is compatible with your AR10 platform and standard buffer tube.
2. **Disassemble the Firearm:** Follow the manufacturer's instructions for safely disassembling your firearm.
3. **Remove Existing Buffer:** Carefully remove the existing buffer from the buffer tube.
4. **Install the Enhanced Buffer:**
  - Insert the PWS Enhanced 4140 Steel Body H2 .308 Short Buffer into the buffer tube.
  - Ensure that it is seated correctly and securely.
5. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble your firearm.

### Usage

- Load the firearm only when you are ready to shoot.
- Always perform a safety check before using the firearm.
- Follow standard operating procedures for shooting, including proper stance and grip.
- After each use, clean the firearm and inspect the buffer for any signs of wear or damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not throw the product in regular household waste.
- For environmentally friendly disposal, consider taking the product to a designated recycling center or hazardous waste facility.

## Contact Information for Further Support

For any inquiries or support regarding your AR 308 Enhanced Buffer Carbine, please reach out to your local dealer or manufacturer. Always ensure that you follow the guidelines provided in this safety instruction guide to maintain safety and compliance with EU regulations.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly!
