

ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM - ACCUWASHER AW500 GEN2 SHIM KIT - 1/2-28 .725"

PRECISION ARMAMENT ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM The AccuWasher® Gen 2 Muzzle Device Alignment System is the ultimate solution for precise and repeatable muzzle device alignment. Unlike traditional crush washers, this mono-shim system is precision lathe-turned on both faces, ensuring a certified guaranteed circular thickness uniformity of .0001" for unparalleled accuracy. FEATURES: Precision Machined Mono-Shim: Provides exact muzzle device timing with external markings for easy identification. Unmatched Strength & Durability: Made from high-strength steel, equal to or stronger than barrel steel, ensuring failsafe strength. No Shear-Slip or Yielding: With its monolithic construction and significant thickness, AccuWasher shims resist deformation under heavy impact or bending loads. Maintains Accuracy & Safety: Eliminates alignment issues caused by traditional shims, preventing accuracy loss even under rough handling. Reliable for Suppressors & Muzzle Brakes: Provides the highest insurance against misalignment due to bumps, drops, or impacts. Fast, Intuitive Installation: External markings make it the easiest and most precise alignment system on the market. Note: The AccuWasher Alignment System can be used with any brand muzzle device.

Attributes

- Name: ACCUWASHER AW500 GEN2 SHIM KIT - 1/2-28 .725"
- Manufacturer: PRECISION ARMAMENT
- Product no.: 430113318
- Mfr. No.: A00500
- Color: Stainless Steel
- Material: Stainless Steel
- Delivery weight: 0.041kg
- Shipping height: 127mm
- Shipping width: 76mm
- Shipping length: 25mm
- UPC: 810112081268

ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM Safety Instruction Guide

Introduction

Thank you for choosing the ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ACCUWASHER by following all instructions and warnings provided in this guide.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If notified, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** When purchasing online, ensure that the seller abides by safety regulations applicable in the EU.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the official EU consumer safety contact points.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on any safety alerts related to this product.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the user manual before installation and use.
- **Proper Installation:** Ensure the ACCUWASHER is installed correctly to avoid misalignment and potential accidents.
- **Use Appropriate Tools:** Use only recommended tools for installation to prevent damage to the product.
- **Check for Damage:** Inspect the ACCUWASHER for any signs of damage before use. Do not use if damaged.
- **Avoid OverTightening:** Do not overtighten the muzzle device, as this can lead to failure or misalignment.
- **Wear Protective Gear:** Use appropriate safety gear, such as safety glasses, when handling and installing the muzzle device.
- **Seek Professional Help:** If unsure about installation or use, consult a qualified gunsmith or professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools and the ACCUWASHER kit.
- Clean the muzzle device and the area where it will be installed.

2. Installation:

- Place the ACCUWASHER monoshim onto the muzzle device.
- Align the external markings on the shim with the desired timing position.
- Gently screw the muzzle device onto the barrel, ensuring it is properly seated against the shim.
- Tighten the muzzle device to the manufacturer's recommended torque specifications without overtightening.

3. **PostInstallation Check:**

- Inspect the alignment of the muzzle device to ensure it is correctly positioned.
- Test the device under safe conditions to confirm proper functionality.

4. **Usage:**

- Use the muzzle device in accordance with the manufacturer's guidelines.
- Regularly check for any signs of wear or misalignment during use.

Disposal Instructions

- **Disposal of Product:** When the ACCUWASHER is no longer needed, dispose of it in accordance with local regulations for metal waste.
- **Environmental Considerations:** Do not dispose of the product in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the appropriate contact points as per EU regulations. Always ensure you have the latest information regarding the product safety and compliance.

By following these safety instructions, you can ensure the safe and effective use of the ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM. Thank you for your attention to safety.
