

ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM - PRECISION ARMAMENT ACCUWASHER AW625 GEN2 SHIM KIT - 1/2-28 .825"

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrel Hardware](#) > [Washers](#)

PRECISION ARMAMENT ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM The AccuWasher® Gen 2 Muzzle Device Alignment System is the ultimate solution for precise and repeatable muzzle device alignment. Unlike traditional crush washers, this mono-shim system is precision lathe-turned on both faces, ensuring a certified guaranteed circular thickness uniformity of .0001" for unparalleled accuracy. FEATURES: Precision Machined Mono-Shim: Provides exact muzzle device timing with external markings for easy identification. Unmatched Strength & Durability: Made from high-strength steel, equal to or stronger than barrel steel, ensuring failsafe strength. No Shear-Slip or Yielding: With its monolithic construction and significant thickness, AccuWasher shims resist deformation under heavy impact or bending loads. Maintains Accuracy & Safety: Eliminates alignment issues caused by traditional shims, preventing accuracy loss even under rough handling. Reliable for Suppressors & Muzzle Brakes: Provides the highest insurance against misalignment due to bumps, drops, or impacts. Fast, Intuitive Installation: External markings make it the easiest and most precise alignment system on the market. Note: The AccuWasher Alignment System can be used with any brand muzzle device.

ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ACCUWASHER GEN 2 Muzzle Device Alignment System. This product is designed to provide precise and repeatable muzzle device alignment, enhancing your shooting experience. To ensure your safety and the optimal performance of this product, please read and follow the safety guidelines outlined in this manual.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ACCUWASHER GEN 2 by following all instructions and guidelines provided. This product is designed to meet EU safety standards.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** If purchasing online, ensure that the platform meets safety requirements similar to physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children. It is not intended for use by individuals under the age of 18 without adult supervision.
- **EU Contact Point:** For any safety inquiries, consult the manufacturer or retailer from whom you purchased the product.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on potential safety issues related to this product.

Specific Safety Precautions for Use

- **Read All Instructions:** Before using the ACCUWASHER GEN 2, read the entire manual carefully.
- **Inspect the Product:** Before installation, inspect the product for any visible damage or defects. Do not use if damaged.
- **Avoid Excessive Force:** When installing or adjusting the muzzle device, avoid using excessive force that may lead to product failure or misalignment.
- **Wear Protective Gear:** Use appropriate protective eyewear and hearing protection when firing weapons equipped with muzzle devices.
- **Proper Handling:** Handle the product with care to avoid personal injury or damage to the device.
- **Check Compatibility:** Ensure that the ACCUWASHER GEN 2 is compatible with your muzzle device before installation.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation, including a wrench and any additional fittings required for your specific muzzle device.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Remove any existing muzzle device from the firearm.
- Clean the muzzle threads to ensure proper alignment and fit.
- Select the appropriate shim from the ACCUWASHER AW625 GEN2 Shim Kit based on your device's specifications.
- Place the shim onto the muzzle threads, ensuring it is seated properly.

- Attach the muzzle device to the firearm, aligning it with the external markings on the shim for accurate timing.
- Tighten the muzzle device using the wrench, ensuring it is secure but not overtightened to avoid damage.

3. Usage

- After installation, conduct a function check to ensure that the muzzle device is properly aligned and secure.
- When using the firearm, monitor for any signs of misalignment or unusual behavior. If observed, stop use immediately and check the installation.

Disposal Instructions

- Dispose of the ACCUWASHER GEN 2 in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, seek out designated recycling or hazardous waste facilities if applicable.

Contact Information for Further Support

For any questions or concerns regarding the ACCUWASHER GEN 2 Muzzle Device Alignment System, please reach out to the retailer or manufacturer from whom you purchased this product for assistance.

By adhering to these safety instructions, you can ensure a safer and more enjoyable experience with your ACCUWASHER GEN 2 Muzzle Device Alignment System. Always prioritize safety and responsibility when handling firearms and related accessories.
