

ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM - ACCUWASHER AW750 GEN2 SHIM KIT - 1/2-28 .925"

PRECISION ARMAMENT ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM The AccuWasher® Gen 2 Muzzle Device Alignment System is the ultimate solution for precise and repeatable muzzle device alignment. Unlike traditional crush washers, this mono-shim system is precision lathe-turned on both faces, ensuring a certified guaranteed circular thickness uniformity of .0001" for unparalleled accuracy. FEATURES: Precision Machined Mono-Shim: Provides exact muzzle device timing with external markings for easy identification. Unmatched Strength & Durability: Made from high-strength steel, equal to or stronger than barrel steel, ensuring failsafe strength. No Shear-Slip or Yielding: With its monolithic construction and significant thickness, AccuWasher shims resist deformation under heavy impact or bending loads. Maintains Accuracy & Safety: Eliminates alignment issues caused by traditional shims, preventing accuracy loss even under rough handling. Reliable for Suppressors & Muzzle Brakes: Provides the highest insurance against misalignment due to bumps, drops, or impacts. Fast, Intuitive Installation: External markings make it the easiest and most precise alignment system on the market. Note: The AccuWasher Alignment System can be used with any brand muzzle device.

Attributes

- Name: ACCUWASHER AW750 GEN2 SHIM KIT - 1/2-28 .925"
- Manufacturer: PRECISION ARMAMENT
- Product no.: 430113320
- Mfr. No.: A00503
- Color: Stainless Steel
- Material: Stainless Steel
- Delivery weight: 0.041kg
- Shipping height: 127mm
- Shipping width: 76mm
- Shipping length: 25mm
- UPC: 810112081299

ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM Safety Instruction Guide

Introduction

Thank you for choosing the ACCUWASHER GEN 2 Muzzle Device Alignment System. This product is designed to provide precise and repeatable muzzle device alignment. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle the device with care to prevent injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Material Safety:** The ACCUWASHER is made from highstrength stainless steel. Avoid exposure to corrosive substances that may affect its integrity.
- **Installation Safety:** Ensure that the muzzle device is properly aligned before use to prevent misalignment during firing.
- **Impact Resistance:** The design is intended to withstand heavy impacts. However, avoid excessive force that could compromise the integrity of the product.
- **Proper Handling:** Always handle the product with clean hands and appropriate tools to prevent contamination and ensure proper installation.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Ensure all necessary tools are available for installation.
- Clean the muzzle device and the area where the ACCUWASHER will be applied.

2. Installation Steps:

- Align the ACCUWASHER on the muzzle device according to the external markings for correct timing.
- Use appropriate torque settings as specified by the manufacturer of your muzzle device to secure the alignment.
- Doublecheck the alignment before finalizing the installation to ensure accuracy.

3. Usage:

- After installation, verify that the muzzle device is secure and properly aligned before use.
- Regularly check the alignment during routine maintenance and after any heavy use.

4. PostUse Inspection:

- After each use, inspect the ACCUWASHER for any signs of wear or damage.
- If any issues are found, discontinue use and replace the product.

Disposal Instructions

- Dispose of the ACCUWASHER in accordance with local regulations regarding metal waste.
- Do not dispose of the product in general household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's contact information included with your product packaging.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the ACCUWASHER GEN 2 Muzzle Device Alignment System. Thank you for your attention to safety.
