

ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM - ACCUWASHER AW750 GEN2 SHIM KIT - 5/8-24 .925"

PRECISION ARMAMENT ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM The AccuWasher® Gen 2 Muzzle Device Alignment System is the ultimate solution for precise and repeatable muzzle device alignment. Unlike traditional crush washers, this mono-shim system is precision lathe-turned on both faces, ensuring a certified guaranteed circular thickness uniformity of .0001" for unparalleled accuracy. FEATURES: Precision Machined Mono-Shim: Provides exact muzzle device timing with external markings for easy identification. Unmatched Strength & Durability: Made from high-strength steel, equal to or stronger than barrel steel, ensuring failsafe strength. No Shear-Slip or Yielding: With its monolithic construction and significant thickness, AccuWasher shims resist deformation under heavy impact or bending loads. Maintains Accuracy & Safety: Eliminates alignment issues caused by traditional shims, preventing accuracy loss even under rough handling. Reliable for Suppressors & Muzzle Brakes: Provides the highest insurance against misalignment due to bumps, drops, or impacts. Fast, Intuitive Installation: External markings make it the easiest and most precise alignment system on the market. Note: The AccuWasher Alignment System can be used with any brand muzzle device.

Attributes

- Name: ACCUWASHER AW750 GEN2 SHIM KIT - 5/8-24 .925"
- Manufacturer: PRECISION ARMAMENT
- Product no.: 430113322
- Mfr. No.: A00521
- Color: Stainless Steel
- Material: Stainless Steel
- Delivery weight: 0.041kg
- Shipping height: 127mm
- Shipping width: 76mm
- Shipping length: 25mm
- UPC: 810112081329

ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM Safety Instructions

Introduction

Thank you for choosing the ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM. This product is designed to provide precise and repeatable muzzle device alignment, ensuring enhanced accuracy and safety during use. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the ACCUWASHER GEN 2 is used only with compatible muzzle devices.
- Always handle the product with care to prevent injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If any issues are detected, discontinue use immediately and seek assistance.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about any product recalls or safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Material Safety:** The ACCUWASHER is constructed from highstrength stainless steel. Ensure you are not allergic to materials used in this product.
- **Installation Safety:** Follow installation instructions carefully to avoid misalignment or damage to the muzzle device.
- **Handling Precautions:** Use protective gloves when handling the device to prevent injury from sharp edges.
- **Impact Resistance:** Avoid dropping or subjecting the product to heavy impacts, as this may compromise its structural integrity.
- **Usage Environment:** Use the product in a clean, dry environment to prevent corrosion or damage.
- **Compatibility Check:** Verify that your muzzle device is compatible with the ACCUWASHER system to prevent misalignment.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools ready for installation.
- Clean the muzzle device and the area where the ACCUWASHER will be installed.

2. Installation:

- Place the ACCUWASHER shim onto the muzzle device, ensuring it is seated properly.
- Align the external markings on the shim with the muzzle device for accurate timing.
- Tighten the muzzle device according to the manufacturer's specifications, ensuring that the shim remains in place.

3. PostInstallation Check:

- After installation, check for proper alignment by visually inspecting the muzzle device.
- Ensure that there is no movement or play between the muzzle device and the shim.

4. Usage:

- Use the firearm in accordance with the manufacturer's guidelines and local regulations.
- Regularly check the alignment of the muzzle device, especially after heavy use or impacts.

Disposal Instructions

- Dispose of the ACCUWASHER in accordance with local regulations for metal waste.
- Do not dispose of the product in general household waste.
- Consider recycling the product if facilities are available.

Contact Information for Further Support

For any inquiries regarding the ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure the safe and effective use of the ACCUWASHER GEN 2 MUZZLE DEVICE ALIGNMENT SYSTEM. Thank you for your attention to safety, and enjoy your experience with our product.
