

THE QUAKE CLAW 2.0 SLING WITH SWIVELS - CLAW 2.0 SLING WITH SWIVELS BLACK

THE QUAKE CLAW 2.0 SLING WITH SWIVELS The CLAW Sling System is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing your comfort. The unique gripping action of the non-slip pad keeps the firearm in place on your shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable CLAW Rifle Sling can be used with rifles, shotguns or any firearm with swivel studs mounted on the buttstock and barrel. Comfortable to use and easy to clean, the CLAW Rifle Sling will not hold water like foam, urethane or leather slings.

THE QUAKE CLAW 2.0 SLING WITH SWIVELS

Safety Instruction Guide

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 SLING WITH SWIVELS. This product is designed to enhance your shooting experience by providing comfort and stability. To ensure safe use and maximize the benefits of this sling, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or detaching the sling.
- Use the sling only with firearms that are equipped with swivel studs.
- Inspect the sling for any signs of wear or damage before each use.
- Never use the sling in a manner that could lead to entanglement or injury.
- Keep the sling away from children and unauthorized users.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the nonslip pad is properly positioned on your shoulder before use to prevent slippage.
- Adjust the sling length to suit your body size and shooting style for optimal comfort and control.
- Avoid placing excessive weight on the sling while it is not in use, as this may damage the materials.
- Do not use the sling for any purpose other than securing a firearm.
- Be cautious when moving with a firearm attached to the sling to avoid accidental discharge.

Instructions for Installation and Usage

Installation

1. **Identify the Swivel Studs:** Locate the swivel studs on your firearm's buttstock and barrel.
2. **Attach the Sling:**
 - Slide the sling's swivel hooks onto the swivel studs.
 - Ensure that the hooks are securely fastened and that the sling is properly aligned.
3. **Adjust the Length:**
 - Pull the adjustment strap to achieve the desired length.
 - Ensure the sling fits comfortably across your shoulder.

Usage

1. **Positioning:**
 - Place the nonslip pad on your shoulder.
 - Ensure the firearm is resting securely against your body.
2. **Shooting:**
 - Maintain a firm grip on the firearm while using the sling to stabilize your aim.
 - Be aware of your surroundings and ensure the firearm is pointed in a safe direction at all times.
3. **Detachment:**
 - To remove the sling, unhook the swivel hooks from the swivel studs.
 - Store the sling in a safe place when not in use.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.

- If the sling is damaged, do not attempt to repair it; instead, dispose of it responsibly to prevent accidental use.

Contact Information for Further Support
