

THE QUAKE CLAW 2.0 SLING WITH SWIVELS - CLAW 2.0 SLING WITH SWIVELS CAMO

THE QUAKE CLAW 2.0 SLING WITH SWIVELS The CLAW Sling System is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing your comfort. The unique gripping action of the non-slip pad keeps the firearm in place on your shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable CLAW Rifle Sling can be used with rifles, shotguns or any firearm with swivel studs mounted on the buttstock and barrel. Comfortable to use and easy to clean, the CLAW Rifle Sling will not hold water like foam, urethane or leather slings.

Attributes

Safety Instruction Guide for THE QUAKE CLAW 2.0 SLING WITH SWIVELS

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 SLING WITH SWIVELS. This guide provides essential safety instructions and information to ensure the safe use of your sling. Please read this guide thoroughly before using the product.

General Safety Guidelines

- **Product Safety:** Always ensure that the sling is used in accordance with the manufacturer's instructions to avoid accidents and injuries.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall is issued, follow the instructions provided for returning the product or obtaining a remedy.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety regulations to guarantee safe delivery and product quality.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure the sling is adjusted correctly to fit your body and firearm securely.
- **Check for Damage:** Before each use, inspect the sling for any signs of wear or damage. Do not use if the sling is compromised.
- **Avoid Overloading:** Do not exceed the weight limit of the sling. Refer to the product specifications for weight guidelines.
- **Maintain Control:** Always maintain control of your firearm while using the sling. Ensure that it is securely attached at all times.
- **Environmental Considerations:** Avoid using the sling in extreme weather conditions that could affect its performance.

Instructions for Installation and Usage

Installation

1. Attach Swivels:

- Locate the swivel studs on your firearm (buttstock and barrel).
- Align the sling's swivel clips with the studs and securely attach them.

2. Adjust Length:

- Adjust the length of the sling to ensure a comfortable fit. The sling should allow for easy access to the firearm while keeping it secure.

Usage

• Wearing the Sling:

- Place the sling over your shoulder and across your body.

- Ensure the nonslip pad is positioned on your shoulder for maximum comfort and stability.
- **Carrying the Firearm:**
 - When carrying your firearm, ensure that it is secured in place by the sling.
 - Be mindful of your surroundings and maintain control of the firearm at all times.
- **Cleaning and Maintenance:**
 - Clean the sling with a damp cloth to remove dirt and debris.
 - Avoid using harsh chemicals that may damage the material.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the sling in accordance with local regulations.
- **Material Recycling:** If possible, recycle the sling's components to minimize environmental impact.

Contact Information for Further Support
