

THE QUAKE CLAW 2.0 SLING WITH SWIVELS - QUAKE CLAW 2.0 SLING WITH SWIVELS CAMO

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

THE QUAKE CLAW 2.0 SLING WITH SWIVELS The CLAW Sling System is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing your comfort. The unique gripping action of the non-slip pad keeps the firearm in place on your shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable CLAW Rifle Sling can be used with rifles, shotguns or any firearm with swivel studs mounted on the buttstock and barrel. Comfortable to use and easy to clean, the CLAW Rifle Sling will not hold water like foam, urethane or leather slings.

Attributes

Safety Instruction Guide for THE QUAKE CLAW 2.0 SLING WITH SWIVELS

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 SLING WITH SWIVELS. This guide aims to provide you with essential safety instructions and guidelines to ensure your safe and effective use of the product. Please read this guide carefully before using the sling.

General Safety Guidelines

- Ensure that you are familiar with the proper handling and operation of firearms before using this sling.
- Always treat firearms as if they are loaded.
- Keep the sling out of reach of children and unauthorized users.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Do not exceed the weight limit of the sling; ensure it is suitable for your firearm.
- Be aware of your surroundings and ensure that your firearm is pointed in a safe direction at all times.

Specific Safety Precautions for Use

- The nonslip pad is designed to provide grip; however, it is important to ensure that the firearm is properly secured in the sling.
- Avoid using the sling in extreme weather conditions that may affect its performance or durability.
- When adjusting the sling, ensure that it does not interfere with the operation of the firearm.
- Do not use the sling for any purpose other than securing your firearm.

Instructions for Installation and Usage

1. Installation:

- Attach the sling swivels to the swivel studs mounted on your firearm's buttstock and barrel.
- Ensure that the swivels are securely fastened and that there is no play in the connection.
- Adjust the length of the sling to fit comfortably over your shoulder.

2. Usage:

- Place the sling over your shoulder, ensuring the firearm rests securely against your body.
- Adjust the positioning as necessary to achieve optimal comfort and stability.
- To remove the sling, simply detach the swivels from the swivel studs, ensuring the firearm is safely handled during the process.

Disposal Instructions

- Dispose of the sling according to local regulations.
- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not burn the sling, as it may release harmful substances.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact channels or visit their official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with THE QUAKE CLAW

2.0 SLING WITH SWIVELS. Thank you for prioritizing safety in your use of this product.
