

THE QUAKE CLAW 2.0 SLING WITH SWIVELS - CLAW 2.0 SLING WITH SWIVELS O.D. GREEN

THE QUAKE CLAW 2.0 SLING WITH SWIVELS The CLAW Sling System is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing your comfort. The unique gripping action of the non-slip pad keeps the firearm in place on your shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable CLAW Rifle Sling can be used with rifles, shotguns or any firearm with swivel studs mounted on the buttstock and barrel. Comfortable to use and easy to clean, the CLAW Rifle Sling will not hold water like foam, urethane or leather slings.

Safety Instruction Guide for THE QUAKE CLAW 2.0 SLING WITH SWIVELS

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 SLING WITH SWIVELS. This guide provides essential safety instructions to ensure the safe use of your sling. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose, which is to support firearms with swivel studs.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the sling out of reach of children and vulnerable individuals.
- Regularly inspect the sling for wear and tear. Do not use if damaged.
- Report any unsafe product experiences to the relevant authorities.

Specific Safety Precautions for Use

- **NonSlip Pad:** The nonslip pad is designed to keep the firearm secure on your shoulder. Ensure that it is clean and free from debris before use.
- **Weight Distribution:** The sling allows for approximately 1/2" of stretch, which helps in weight distribution. Avoid overloading the sling beyond its intended capacity.
- **Comfort:** Adjust the sling to your shoulder size for optimal comfort. A poorly adjusted sling can lead to discomfort or accidents.
- **Cleaning:** The sling is easy to clean. Do not use harsh chemicals that may damage the materials.

Instructions for Installation and Usage

1. Installation:

- Locate the swivel studs on your firearm (buttstock and barrel).
- Attach the sling to the swivel studs, ensuring it is securely fastened.
- Adjust the length of the sling to fit comfortably over your shoulder.

2. Usage:

- Place the sling over your shoulder and secure the firearm in place using the nonslip pad.
- Ensure that the firearm is always pointed in a safe direction.
- While walking or moving, keep a firm grip on the firearm to prevent accidental slips.

Disposal Instructions

- Dispose of the sling in accordance with local regulations for textile waste.
- Do not incinerate the sling, as it may release harmful substances when burned.
- If the sling is damaged beyond repair, consider recycling the materials where possible.

Contact Information for Further Support
