

THE QUAKE CLAW 2.0 SLING WITH SWIVELS - QUAKE CLAW 2.0 SLING WITH SWIVELS O.D. GREEN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

THE QUAKE CLAW 2.0 SLING WITH SWIVELS The CLAW Sling System is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing your comfort. The unique gripping action of the non-slip pad keeps the firearm in place on your shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable CLAW Rifle Sling can be used with rifles, shotguns or any firearm with swivel studs mounted on the buttstock and barrel. Comfortable to use and easy to clean, the CLAW Rifle Sling will not hold water like foam, urethane or leather slings.

Safety Instruction Guide for THE QUAKE CLAW 2.0 SLING WITH SWIVELS

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 SLING WITH SWIVELS. This guide provides important safety instructions and usage information to ensure your safety and the effective operation of the product. Please read this guide carefully before using the sling.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using it with the sling.
- Always treat your firearm as if it is loaded, even when it is not.
- Never point your firearm at anything you do not intend to shoot.
- Keep the sling away from children and unauthorized users.
- Regularly inspect the sling for any signs of wear or damage. Do not use if damaged.
- Ensure that the sling is securely attached to your firearm before use.
- Avoid using the sling in wet conditions to prevent slippage.

Specific Safety Precautions for Use

- The nonslip pad is designed to hold the firearm securely in place; however, always maintain control of the firearm.
- When adjusting the sling, ensure that it does not interfere with the operation of the firearm.
- Do not use the sling if it shows any signs of fraying, tearing, or other damage.
- Ensure that the swivel studs are properly installed on your firearm before attaching the sling.
- Be cautious when transitioning from a standing to a kneeling or sitting position to avoid entanglement with the sling.
- Avoid using the sling in situations where it may become caught on objects or obstacles.

Instructions for Installation and Usage

Installation

1. **Identify Swivel Studs:** Locate the swivel studs on your firearm's buttstock and barrel.
2. **Attach Sling:**
 - Slide the sling's swivel hook onto the swivel stud on the buttstock.
 - Repeat the process for the barrel swivel stud.
3. **Adjust Length:**
 - Adjust the length of the sling to fit comfortably over your shoulder. The sling should allow for easy access to your firearm while maintaining a secure hold.

Usage

- **Carrying:**
 - Position the sling over your shoulder, ensuring the nonslip pad is in contact with your clothing.
 - Keep the firearm pointed in a safe direction at all times.
- **Transitioning:**
 - When moving from one position to another, maintain a firm grip on your firearm.
 - Be aware of your surroundings to avoid accidental entanglement.
- **Cleaning:**
 - Clean the sling with a damp cloth as needed. Do not submerge the sling in water.
 - Allow the sling to dry completely before storing.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, do not attempt to fix it. Instead, discard it responsibly to prevent accidental use.

Contact Information for Further Support

For any questions or concerns regarding the use of THE QUAKE CLAW 2.0 SLING WITH SWIVELS, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with THE QUAKE CLAW 2.0 SLING WITH SWIVELS. Always prioritize safety and remain informed about best practices for firearm handling and sling usage. Thank you for your attention to these important guidelines.
