

THE QUAKE CLAW 2.0 SLING WITH SWIVELS - QUAKE CLAW 2.0 SLING WITH SWIVELS BROWN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

THE QUAKE CLAW 2.0 SLING WITH SWIVELS The CLAW Sling System is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing your comfort. The unique gripping action of the non-slip pad keeps the firearm in place on your shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable CLAW Rifle Sling can be used with rifles, shotguns or any firearm with swivel studs mounted on the buttstock and barrel. Comfortable to use and easy to clean, the CLAW Rifle Sling will not hold water like foam, urethane or leather slings.

Safety Instruction Guide for THE QUAKE CLAW 2.0 SLING WITH SWIVELS

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 SLING WITH SWIVELS. This product is designed to enhance your shooting experience by providing a secure and comfortable way to carry your firearm. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even when it is not.
- Ensure that the sling is properly attached to the firearm before use.
- Inspect the sling and swivels for any signs of wear or damage before each use.
- Do not exceed the weight limit of the sling; ensure it is suitable for the firearm you are using.
- Keep the sling away from children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the sling is adjusted to fit comfortably on your shoulder to avoid slippage.
- Avoid using the sling in wet or slippery conditions, as this may affect grip and safety.
- Do not use the sling for purposes other than intended (i.e., carrying firearms).
- Be cautious when transitioning from carrying to shooting; ensure the firearm is secure before aiming or firing.
- If the sling becomes damaged, discontinue use immediately and replace it.

Instructions for Installation and Usage

Installation

1. Attach the Swivels:

- Locate the swivel studs on the buttstock and barrel of your firearm.
- Carefully attach the swivels of the sling to these studs until securely fastened.

2. Adjust the Length:

- Pull the sling to the desired length for comfortable carrying.
- Ensure the sling allows for adequate movement without being too loose.

Usage

• Carrying:

- Place the sling over your shoulder, ensuring the firearm rests securely against your body.
- Adjust the sling as necessary to maintain comfort and security.

• Transitioning to Shooting:

- Before shooting, ensure the firearm is secure in your grip.
- Remove the sling from your shoulder if it interferes with aiming or shooting.

- **Cleaning:**

- Clean the sling with a damp cloth to remove dirt and debris.
- Avoid using harsh chemicals that may damage the material.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling materials if applicable.
- Do not dispose of the sling in a manner that poses a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries or further support regarding THE QUAKE CLAW 2.0 SLING WITH SWIVELS, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy using THE QUAKE CLAW 2.0 SLING WITH SWIVELS responsibly!
