

THE QUAKE CLAW 2.0 SLING WITH SWIVELS - QUAKE CLAW 2.0 SLING WITH SWIVELS SNOW CAMO

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

THE QUAKE CLAW 2.0 SLING WITH SWIVELS The CLAW Sling System is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing your comfort. The unique gripping action of the non-slip pad keeps the firearm in place on your shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable CLAW Rifle Sling can be used with rifles, shotguns or any firearm with swivel studs mounted on the buttstock and barrel. Comfortable to use and easy to clean, the CLAW Rifle Sling will not hold water like foam, urethane or leather slings.

Safety Instruction Guide for THE QUAKE CLAW 2.0 SLING WITH SWIVELS

Introduction

Thank you for choosing the QUAKE CLAW 2.0 Sling with Swivels. This product is designed for comfort and stability while carrying your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the sling.

General Safety Guidelines

- Always ensure that your firearm is unloaded when attaching or detaching the sling.
- Use the sling only with firearms that have swivel studs mounted on the buttstock and barrel.
- Inspect the sling regularly for wear and tear. Do not use if damaged.
- Keep the sling out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm safety and usage.

Specific Safety Precautions for Use

- Ensure the nonslip pad is securely in place before use to prevent slippage.
- Do not exceed the weight limit of the sling as specified by the manufacturer.
- Avoid using the sling in wet conditions, as it may not perform optimally.
- If you experience any discomfort while using the sling, discontinue use immediately.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.

Instructions for Installation and Usage

Installation

1. Attach the Sling:

- Locate the swivel studs on your firearm.
- Align the sling's hooks with the swivel studs.
- Ensure that the hooks are securely fastened.

2. Adjust the Length:

- Slide the adjustment mechanism to achieve the desired length.
- Test the adjustment by lifting the firearm to ensure it is comfortable and stable.

Usage

- Place the nonslip pad on your shoulder before lifting the firearm.
- Ensure the firearm is secure against your body while moving.
- To remove the sling, reverse the attachment process, ensuring the firearm is unloaded.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not burn the sling as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns, please contact the manufacturer directly. Ensure you have the product details ready for assistance.

Thank you for following these safety instructions. Your safety and the safety of others depend on responsible usage and adherence to these guidelines.
