

THE QUAKE CLAW 2.0 SLING WITH SWIVELS - QUAKE CLAW 2.0 SLING WITH SWIVELS SAND CAMO

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

THE QUAKE CLAW 2.0 SLING WITH SWIVELS The CLAW Sling System is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing your comfort. The unique gripping action of the non-slip pad keeps the firearm in place on your shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable CLAW Rifle Sling can be used with rifles, shotguns or any firearm with swivel studs mounted on the buttstock and barrel. Comfortable to use and easy to clean, the CLAW Rifle Sling will not hold water like foam, urethane or leather slings.

Safety Instruction Guide for THE QUAKE CLAW 2.0 SLING WITH SWIVELS

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 SLING WITH SWIVELS. This product is designed to provide a comfortable and secure way to carry your firearm. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read these safety instructions carefully.

General Safety Guidelines

- Ensure that the sling is used only with firearms that have swivel studs mounted on the buttstock and barrel.
- Always check the sling for any signs of wear or damage before each use.
- Do not exceed the recommended weight limits of the sling.
- Avoid using the sling in wet or slippery conditions to prevent accidents.
- Keep the sling out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- When adjusting the sling, ensure that it is securely fastened to prevent accidental release.
- Always keep your firearm pointed in a safe direction when using the sling.
- Be aware of your surroundings and avoid obstacles that may cause entanglement with the sling.
- Do not use the sling for any purpose other than carrying your firearm.
- Regularly inspect the nonslip pad for any signs of degradation or damage.

Instructions for Installation and Usage

1. Installation:

- Locate the swivel studs on your firearm.
- Attach the sling to the front and rear swivel studs, ensuring a secure fit.
- Adjust the length of the sling to your preferred carrying position.

2. Usage:

- Place the sling over your shoulder and adjust it for comfort.
- Ensure that the nonslip pad is positioned correctly to prevent slipping.
- When carrying, maintain a firm grip on the firearm to ensure stability.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged or no longer in use, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding THE QUAKE CLAW 2.0 SLING WITH SWIVELS, please contact the manufacturer or your local distributor.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with THE QUAKE CLAW 2.0 SLING WITH SWIVELS. Always prioritize safety and proper usage to protect yourself and others. Thank you for your attention to these important guidelines.
