

THE QUAKE CLAW 2.0 SLING WITH SWIVELS - QUAKE CLAW 2.0 SLING WITH SWIVELS STONE CAMO

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

THE QUAKE CLAW 2.0 SLING WITH SWIVELS The CLAW Sling System is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing your comfort. The unique gripping action of the non-slip pad keeps the firearm in place on your shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable CLAW Rifle Sling can be used with rifles, shotguns or any firearm with swivel studs mounted on the buttstock and barrel. Comfortable to use and easy to clean, the CLAW Rifle Sling will not hold water like foam, urethane or leather slings.

Safety Instruction Guide for THE QUAKE CLAW 2.0 SLING WITH SWIVELS

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 SLING WITH SWIVELS. This product is designed to enhance your firearm carrying experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use the sling safely and effectively.

General Safety Guidelines

- Ensure the sling is compatible with your firearm before use.
- Always handle firearms with care and follow all safety procedures.
- Regularly inspect the sling for wear and damage before each use.
- Store the sling in a safe, dry place when not in use.
- Keep the sling out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the sling.
- When using the sling, ensure it is properly adjusted to fit securely on your shoulder.
- Avoid using the sling in wet or slippery conditions to prevent accidents.
- Do not overload the sling beyond its intended use; it is designed for standard firearms only.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Installation:

- Identify the swivel studs on your firearm's buttstock and barrel.
- Attach the sling's swivel clips to the swivel studs, ensuring they are securely locked in place.
- Adjust the sling length to fit comfortably over your shoulder, allowing for approximately 1/2" of stretch.

2. Usage:

- Place the sling over your shoulder, ensuring the nonslip pad is in contact with your clothing.
- Adjust the sling as needed for comfort and stability.
- To remove the sling, simply detach the swivel clips from the swivel studs.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For inquiries regarding safety or product usage, please reach out to the appropriate safety regulatory authorities or consult the manufacturer directly.

By following these guidelines, you can ensure a safe and enjoyable experience with THE QUAKE CLAW 2.0 SLING

WITH SWIVELS. Thank you for your attention to safety.
