

THE QUAKE CLAW 2.0 SLING WITH SWIVELS - QUAKE CLAW 2.0 SLING WITH SWIVELS REALTREE MAX-7

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

THE QUAKE CLAW 2.0 SLING WITH SWIVELS The CLAW Sling System is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing your comfort. The unique gripping action of the non-slip pad keeps the firearm in place on your shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable CLAW Rifle Sling can be used with rifles, shotguns or any firearm with swivel studs mounted on the buttstock and barrel. Comfortable to use and easy to clean, the CLAW Rifle Sling will not hold water like foam, urethane or leather slings.

Attributes

Safety Instruction Guide for THE QUAKE CLAW 2.0 SLING WITH SWIVELS

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 SLING WITH SWIVELS. This product is designed to enhance your shooting experience by providing comfort and stability. However, to ensure safe and effective use, it is important to follow the safety guidelines outlined in this document. This guide complies with the EU General Product Safety Regulation (GPSR) and aims to provide you with clear and concise information.

General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the sling.
- Inspect the sling for any signs of wear or damage before each use.
- Store the sling in a dry and cool place to prevent deterioration.
- Keep the sling out of reach of children and unauthorized users.
- Familiarize yourself with the operation of your firearm and the sling before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the sling is securely attached to the firearm before use.
- Do not exceed the recommended weight limit for the sling.
- Avoid using the sling in wet or slippery conditions to prevent accidents.
- Use the sling only with firearms that have swivel studs mounted on the buttstock and barrel.
- Do not modify the sling or use it in ways not intended by the manufacturer.
- If you experience discomfort or pain while using the sling, discontinue use immediately.

Instructions for Installation and Usage

1. Installation

- Identify the swivel studs on your firearm.
- Attach the front end of the sling to the front swivel stud by sliding it onto the stud until it clicks into place.
- Attach the rear end of the sling to the rear swivel stud in the same manner.
- Ensure both ends are securely fastened before use.

2. Usage

- Adjust the length of the sling to fit comfortably over your shoulder.
- Position the firearm securely against your shoulder, ensuring the nonslip pad is in contact with your clothing.
- When carrying the firearm, ensure that it is pointed in a safe direction at all times.
- To remove the sling, detach it from both swivel studs by pressing the release buttons.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged or no longer usable, consider recycling materials if possible.
- Do not dispose of the sling in regular household waste if it contains nonbiodegradable materials.

Contact Information for Further Support

For any inquiries regarding the safety and use of THE QUAKE CLAW 2.0 SLING WITH SWIVELS, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Enjoy your experience with THE QUAKE CLAW 2.0 SLING WITH SWIVELS, and always prioritize safety.
