

THE QUAKE CLAW 2.0 SLING WITH SWIVELS - QUAKE CLAW 2.0 SLING WITH SWIVELS MOSSY OAK BOTTOMLAND

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

THE QUAKE CLAW 2.0 SLING WITH SWIVELS The CLAW Sling System is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing your comfort. The unique gripping action of the non-slip pad keeps the firearm in place on your shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable CLAW Rifle Sling can be used with rifles, shotguns or any firearm with swivel studs mounted on the buttstock and barrel. Comfortable to use and easy to clean, the CLAW Rifle Sling will not hold water like foam, urethane or leather slings.

Safety Instruction Guide for THE QUAKE CLAW 2.0 SLING WITH SWIVELS

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 SLING WITH SWIVELS. This product is designed to provide comfort and safety while using firearms. It is important to read and follow these safety instructions to ensure the proper and safe use of the sling.

General Safety Guidelines

- Ensure the sling is used with firearms that have swivel studs mounted on the buttstock and barrel.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Inspect the sling for any signs of wear or damage before each use.
- Keep the sling out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of the sling.
- Ensure the sling is properly adjusted to fit your body before use.
- Avoid using the sling in wet or slippery conditions to prevent accidents.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.
- If you notice any slippage or instability while using the sling, discontinue use immediately.

Instructions for Installation and Usage

1. Installation

- Attach the swivel studs to the firearm's buttstock and barrel.
- Slide the sling onto the swivel studs, ensuring it is securely fastened.
- Adjust the length of the sling to fit your body comfortably.

2. Usage

- Place the sling over your shoulder, ensuring the nonslip pad is positioned against your shoulder.
- Adjust the sling to ensure the firearm is held securely in place.
- When not in use, ensure the firearm is stored safely and securely.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged, do not attempt to repair it; dispose of it properly to prevent accidents.

Contact Information for Further Support
