

THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS - CLAW 2.0 FLUSH CUP SLING WITH SWIVELS BLACK

THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS The Quake Claw 2.0 Flush Cup Sling with Swivels is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing comfort. The unique gripping action of the non-slip pad keeps the firearm in place on the shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable claw sling can be used with rifles, shotguns or any firearm with QD cups. FEATURES: Sling will not hold water like foam, urethane or leather Non-slip pad keeps firearm in comfortable position Pad will remain flexible in extreme conditions

Safety Instruction Guide for THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 Flush Cup Sling with Swivels. This product is designed to provide a secure and comfortable way to carry your firearm. To ensure your safety and the proper use of this product, please read this guide carefully before use.

General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded when attaching or detaching the sling.
- Use the sling only with firearms that are compatible with QD cups.
- Inspect the sling before each use for any signs of wear or damage.
- Do not exceed the weight limit of the sling as specified by the manufacturer.
- Keep the sling away from water and extreme temperatures to maintain its integrity.
- If you notice any signs of wear, such as fraying or tears, discontinue use immediately.

Specific Safety Precautions for Use

- Ensure the nonslip pad is clean and free from debris to maintain its gripping action.
- When attaching the sling to your firearm, ensure that all connections are secure.
- Be cautious when moving or adjusting the sling while the firearm is attached.
- Avoid using the sling in a manner that could cause the firearm to swing freely, which may lead to accidental discharge.
- Do not allow children to handle the sling or firearm without adult supervision.

Instructions for Installation and Usage

1. Installation of the Sling:

- Locate the QD cups on your firearm.
- Align the sling's swivels with the QD cups and push to connect until you hear a click.
- Ensure that the swivels are securely attached by gently pulling on the sling.

2. Adjusting the Sling:

- To adjust the length of the sling, locate the adjustment mechanism on the sling webbing.
- Pull the webbing through the adjustment mechanism to increase or decrease the length as needed.
- Ensure that the adjustment is secure before use.

3. Using the Sling:

- Place the nonslip pad on your shoulder for optimal comfort.
- Position the firearm securely against your body to prevent movement.
- Maintain a firm grip on the firearm while using the sling to ensure stability.

Disposal Instructions

- Dispose of the sling in accordance with local regulations for textile products.
- Do not incinerate or dispose of the sling in a manner that could pose a safety hazard.
- If the sling is damaged beyond repair, consider recycling the materials if possible.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided with your product packaging. Ensure you have your product information available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with THE QUAKE CLAW 2.0 Flush Cup Sling with Swivels. Thank you for your attention to these important safety guidelines.
