

THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS - CLAW 2.0 FLUSH CUP SLING WITH SWIVELS SAND CAMO

THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS The Quake Claw 2.0 Flush Cup Sling with Swivels is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing comfort. The unique gripping action of the non-slip pad keeps the firearm in place on the shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable claw sling can be used with rifles, shotguns or any firearm with QD cups. FEATURES: Sling will not hold water like foam, urethane or leather Non-slip pad keeps firearm in comfortable position Pad will remain flexible in extreme conditions

Safety Instruction Guide for THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS

Introduction

Thank you for choosing the Quake Claw 2.0 Flush Cup Sling with Swivels. This product is designed to provide comfort and stability while carrying your firearm. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or detaching the sling.
- Inspect the sling for any signs of wear or damage before each use.
- Do not exceed the weight limit of the sling; ensure it is suitable for your firearm.
- Store the sling in a dry place when not in use to prevent deterioration.
- Keep the sling out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the nonslip pad is properly positioned on your shoulder for maximum comfort and stability.
- Avoid using the sling in extreme weather conditions that may affect its performance.
- When using the sling with QD cups, ensure they are securely attached before use.
- Do not use the sling for any purpose other than carrying a firearm.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.

Instructions for Installation and Usage

Installation

1. Attach the Sling to the Firearm:

- Locate the QD cups on your firearm.
- Align the sling's attachment points with the QD cups.
- Push the attachment point into the QD cup until you hear a click, indicating it is securely attached.

2. Adjust the Sling Length:

- Hold the sling at the desired length.
- Adjust the length using the provided adjustment mechanism to ensure a comfortable fit.

Usage

1. Wearing the Sling:

- Place the nonslip pad on your shoulder.
- Ensure the firearm is securely held in place and does not shift during movement.

2. Carrying the Firearm:

- Keep the firearm pointed in a safe direction at all times.
- Use the sling to support the weight of the firearm, distributing it evenly across your shoulder.

3. Removing the Sling:

- To detach the sling, press the release button on the QD cup and gently pull the attachment point out.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond use, consider recycling materials where applicable.
- Do not incinerate the sling as it may release harmful substances.
