

THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS - QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS SAND CAMO

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS The Quake Claw 2.0 Flush Cup Sling with Swivels is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing comfort. The unique gripping action of the non-slip pad keeps the firearm in place on the shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable claw sling can be used with rifles, shotguns or any firearm with QD cups. FEATURES: Sling will not hold water like foam, urethane or leather Non-slip pad keeps firearm in comfortable position Pad will remain flexible in extreme conditions

Safety Instruction Guide for THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 Flush Cup Sling with Swivels. This product is designed to enhance your shooting experience by providing a secure and comfortable way to carry your firearm. It is important to read and understand this safety instruction guide to ensure proper use and to minimize the risk of accidents.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Store your firearm in a safe place when not in use.
- Keep your finger off the trigger until you are ready to shoot.
- Use the sling only with firearms that are compatible with QD cups.
- Ensure the sling is securely attached before use.
- Regularly inspect the sling for wear and tear.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **NonSlip Pad:** The nonslip pad is designed to keep the firearm secure. Ensure it is clean and free from debris to maintain its grip.
- **Weight Distribution:** The sling is designed to distribute the weight of the firearm evenly. Avoid overloading the sling beyond its intended use.
- **Environmental Conditions:** The pad remains flexible in extreme conditions, but avoid exposing it to harsh chemicals or prolonged direct sunlight.
- **Usage with Children:** If children are present, ensure they are supervised at all times when the sling is in use.

Instructions for Installation and Usage

Installation

1. Attach the Swivels:

- Locate the QD cups on your firearm.
- Align the swivel connectors of the sling with the QD cups.
- Push down to secure the swivel into place until you hear a click.

2. Adjust the Sling Length:

- Hold the sling in one hand and pull on the adjustment strap to achieve your desired length.
- Ensure that the sling is comfortable and allows for easy access to your firearm.

Usage

• Carrying the Firearm:

- Drape the sling over your shoulder, ensuring the nonslip pad is in contact with your clothing.
- Adjust the firearm's position to ensure it is secure and does not move excessively.

- **Transitioning to Shooting Position:**

- When ready to shoot, ensure the firearm is in a comfortable position.
- Release the firearm from the sling by lifting it off your shoulder while maintaining control of the weapon.

- **PostUse:**

- After use, detach the sling from the firearm if it will not be used for an extended period.
- Store the sling in a dry, safe place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the sling responsibly.
- If the sling is damaged or no longer usable, consider recycling the materials where possible.
- Follow local regulations for disposing of textile products.

Contact Information for Further Support
