

THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS - CLAW 2.0 FLUSH CUP SLING WITH SWIVELS STONE CAMO

THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS The Quake Claw 2.0 Flush Cup Sling with Swivels is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing comfort. The unique gripping action of the non-slip pad keeps the firearm in place on the shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable claw sling can be used with rifles, shotguns or any firearm with QD cups. FEATURES: Sling will not hold water like foam, urethane or leather Non-slip pad keeps firearm in comfortable position Pad will remain flexible in extreme conditions

Safety Instruction Guide for THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 Flush Cup Sling with Swivels. This product is designed to enhance your shooting experience by providing comfort and stability. However, it is essential to follow safety guidelines to ensure safe and effective use. This guide provides important safety information, usage instructions, and disposal guidelines.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws.
- Ensure the sling is compatible with your firearm before use.
- Regularly inspect the sling for wear and damage before each use.
- Keep the sling out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the nonslip pad is clean and free from debris to maintain grip.
- Do not exceed the weight limit of the sling; check the manufacturer's specifications.
- Avoid using the sling in extreme weather conditions that may affect its performance.
- Do not modify or alter the sling in any way, as this may compromise safety.
- Always secure the firearm properly in the sling before moving.
- Be cautious of surroundings and ensure the firearm is pointed in a safe direction when using the sling.

Instructions for Installation and Usage

1. Installation:

- Identify the QD cups on your firearm.
- Attach the swivels of the sling to the QD cups until you hear a click, ensuring they are securely fastened.
- Adjust the length of the sling to fit comfortably over your shoulder.

2. Usage:

- Place the nonslip pad against your shoulder to distribute the weight of the firearm.
- Ensure that the firearm is held securely in place by the sling, preventing movement during transport.
- When not in use, store the sling in a dry and cool place to maintain its integrity.

Disposal Instructions

- Dispose of the sling in accordance with local regulations regarding textile waste.
- If the sling is damaged or no longer usable, consider recycling options if available.
- Do not dispose of the sling in regular household waste if it contains nonbiodegradable materials.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided on the packaging or product documentation.

By following these guidelines, you can ensure a safer and more enjoyable experience with THE QUAKE CLAW 2.0 Flush Cup Sling with Swivels. Thank you for your attention to safety!
