

THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS - QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS STONE CAMO

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS The Quake Claw 2.0 Flush Cup Sling with Swivels is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing comfort. The unique gripping action of the non-slip pad keeps the firearm in place on the shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The durable claw sling can be used with rifles, shotguns or any firearm with QD cups. FEATURES: Sling will not hold water like foam, urethane or leather Non-slip pad keeps firearm in comfortable position Pad will remain flexible in extreme conditions

THE QUAKE CLAW 2.0 FLUSH CUP SLING WITH SWIVELS Safety Instructions

Introduction

Thank you for choosing the Quake Claw 2.0 Flush Cup Sling with Swivels. This safety instruction guide is designed to help you use this product safely and effectively. Please read all instructions carefully before use.

General Safety Guidelines

- Ensure that the sling is used only with compatible firearms equipped with QD cups.
- Always check the sling for any wear or damage before each use.
- Keep the sling away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm safety and usage.
- Report any unsafe conditions or accidents involving the sling to the relevant authorities.

Specific Safety Precautions for Use

- **NonSlip Pad:** The sling features a nonslip pad designed to keep the firearm securely in place. Ensure that the pad is clean and free from debris before use.
- **Weight Distribution:** The sling is designed to distribute the weight of the firearm across the shoulder. Avoid overloading the sling with excessive weight.
- **Extreme Conditions:** The pad remains flexible in extreme conditions; however, avoid exposing the sling to harsh chemicals or extreme temperatures that may compromise its integrity.
- **Water Resistance:** Unlike foam or leather, the sling will not hold water. However, it is advisable to keep it dry to maintain its longevity.
- **Proper Handling:** Always handle firearms safely and responsibly. Do not point the firearm at yourself or others while adjusting the sling.

Instructions for Installation and Usage

1. Installation:

- Locate the QD cups on your firearm.
- Align the sling swivels with the QD cups.
- Push the swivels into the QD cups until you hear a click, indicating they are securely attached.

2. Usage:

- Place the sling over your shoulder, ensuring that the nonslip pad is resting against your shoulder for maximum comfort.
- Adjust the length of the sling as needed to ensure a proper fit.
- Ensure that the firearm is securely held in place by the sling before moving or engaging in any activities.

3. Checking for Damage:

- Inspect the sling regularly for any signs of wear, such as fraying or damage to the pad.
- If any damage is observed, discontinue use immediately and replace the sling.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or further support regarding the Quake Claw 2.0 Flush Cup Sling with Swivels, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Quake Claw 2.0 Flush Cup Sling with Swivels. Thank you for your attention to safety!
