

THE QUAKE CLAW 2.0 SLIP-ON SHOTGUN SLING - CLAW 2.0 SLIP-ON SHOTGUN SLING BLACK

THE QUAKE CLAW 2.0 SLIP-ON SHOTGUN SLING The Claw Sling 2.0 System is widely known for having the best non-slip pad incorporated into a sling. The extremely durable and odor resistant pad is molded into the sling webbing to allow approximately 1/2" of stretch. This stretch spreads the weight of the firearm across the shoulder area greatly increasing your comfort. The unique gripping action of the non-slip pad keeps the firearm in place on your shoulder, eliminating the tugging, rolling and pulling caused by other slings on the market. The Slip-On Shotgun model clinches down on a shotgun barrel and stock to hold it in place. No Swivel studs are needed. FEATURES: Lightweight Non-Slip pad Durable and odor resistant Will not fade or crack Does not require sling swivel studs

Attributes

Safety Instruction Guide for THE QUAKE CLAW 2.0 SLIPON SHOTGUN SLING

Introduction

Thank you for choosing THE QUAKE CLAW 2.0 SLIPON SHOTGUN SLING. This product is designed to enhance your shooting experience by providing a secure and comfortable way to carry your shotgun. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used as intended and in accordance with the manufacturer's instructions.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Keep the sling out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using the sling to avoid accidents.
- If you experience any issues with the sling, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that the shotgun is unloaded before attaching or detaching the sling.
- Do not use the sling with firearms that exceed the weight limit specified by the manufacturer.
- Ensure that the nonslip pad is securely positioned on your shoulder to prevent slippage.
- Avoid using the sling in wet or slippery conditions as this may affect its performance.
- Do not modify the sling in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Installation

- Ensure the shotgun is unloaded.
- Position the sling around the shotgun barrel and stock.
- Adjust the sling to fit securely without excessive tightness.
- The nonslip pad should be on the shoulder side for optimal grip.

2. Usage

- When carrying the shotgun, ensure that the sling is properly adjusted to distribute weight evenly.
- Check that the shotgun is stable and secure in the sling before moving.
- To detach the sling, carefully slide it off the barrel and stock while ensuring the shotgun remains unloaded.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- Do not dispose of the sling in regular household waste if it is damaged or worn.
- Consider recycling options if available, as some materials may be recyclable.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of THE QUAKE CLAW 2.0 SLIPON SHOTGUN SLING, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to safety and for choosing THE QUAKE CLAW 2.0 SLIPON SHOTGUN SLING. Enjoy your shooting experience responsibly!
